NOTE In the above CLINs "(TBD)" is a reference to the funding type, which at this time is to be determined. The funding type will be defined when the contract is awarded.

Additional SLINs will be unilaterally created by the Task Order Contracting Officer and/or Contracts Specialist during performance of the task order to accommodate the multiple types of funds to be used under this task order.

5252.211-9503 LEVEL OF EFFORT (COST REIMBURSEMENT) (NAVAIR) (OCT 2005)

(a) The level of effort estimated to be ordered during the term of this contract is [1,350,000] man-hours of direct labor including authorized subcontract labor, if any. The contractor shall not, under any circumstances, exceed one hundred (100%) percent of the total level of effort specified in this basic contract. The estimated composition of the total man-hours of direct labor by classification is as follows:

	<u>Hours</u>
Base Year	24,415.49

Option I	65,298.05
Option II	40,667.75
Option III	41,677.35
Option IV	79,643.13
Option V- LOE Extension 1	311,994.76
Option VI- LOE Extension 2	311,994.76
Option VII- LOE Extension 3	474,308.35
Total Hours	1,350,000

(b) FAR Clause 52.232-20, "Limitation of Cost" applies to fully funded orders and FAR Clause 52.232-22, "Limitation of Funds" applies to incrementally funded orders. Nothing in this clause amends the rights or responsibilities of the parties hereto under either of those two clauses. In addition, the notifications required by this clause are separate and distinct from any specified in either FAR Clause 52.232-20 or FAR Clause 52.232-22.

(c) In the event that less than one hundred (100%) percent of the established level of effort of the basic contract is actually expended by the completion date of the contract (or if said Level of Effort has been previously revised upward, or the fee bearing portion of the additional hours by which the Level of Effort was last increased), the Government shall have the option of:

(1) Requiring the Contractor to continue performance, subject to the provisions of the FAR Clause 52.232-20 or 52.232-22, as applicable, until the effort expended equals 100% of the established Level of Effort; or

(2) Effecting a reduction in the fixed fee by the percentage by which the total expended man-hours is less than one hundred (100%) percent of the established Level of Effort (or the fee bearing portion of the last upward revision).

(d) Completion Form Task Orders.

(1) A level of effort shall be established for each completion form task order. This estimated level of effort is established for the purpose of determining the amount of fixed fee payable on the task order and tracking the ceiling amount of the contract, it is not to be construed as a performance requirement. In the event the task(s) cannot be completed within the estimated cost, the Government will require more effort without increase in fee, if the Government elects to continue, provided the Government increases the estimated cost.

(2) Within thirty days after completion of the work under each completion form task order, the Contractor shall submit the following information directly, in writing, to the ordering officer, with copies to the COR and the Defense Contract Audit Agency office to which vouchers are submitted:

(i) The Contractor's estimate of the total allowable cost incurred under the task order; and

(ii) In the case of a cost under run, the amount by which the estimated cost of the task order may be reduced to recover excess funds.

(e) Term Form Task Orders.

(1) The Contractor shall notify the Procuring Contracting Officer immediately in writing whenever it has reason to believe that:

(i) The level of effort the Contractor expects to incur under any term form order in the next 60 days, when added to the level of effort previously expended in the performance of that order, will exceed seventy-five (75%) percent of the level of effort established for that order; or

(ii) The level of effort required to perform a particular term form order will be greater than the level of effort established for that order.

As part of the notification, the Contractor shall provide the Contracting Officer a revised estimate of the level of effort required to perform the order. As part of the notification, the Contractor also shall submit any proposal for adjustment to the estimated cost and fixed fee that it deems would be equitable if the Government were to increase the level of effort as proposed by the Contractor. In performing term form task orders, the Contractor may use any combination of hours of the labor categories listed in the task order.

(2) In performing term form task orders, the contractor may use any combination of hours of the labor categories listed in the task order.

(3) Within thirty days after completion of the work under each term form task order, the Contractor shall submit the following information directly, in writing, to the ordering officer, with copies to the COR and the Defense Contract

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 52 of 177	FINAL

Audit Agency office to which vouchers are submitted:

(i) The total number of man-hours of direct labor, including subcontract labor, expended and a breakdown of this total showing the number of man-hours expended in each direct labor classification listed in the task order schedule, including the identification of the key employees utilized;

(ii) The Contractor's estimate of the total allowable cost incurred under the task order; and

(iii) In the case of a cost under run, the amount by which the estimated cost of the task order may be reduced to recover excess funds.

(4) In the event that less than one hundred (100%) percent of the established level of effort of a term order (or if said level of effort has been previously revised upward, of the fee bearing portion of the additional hours by which the level of effort was last increased) is actually expended by the completion date of the contract, the Government shall have the option of:

(i) Requiring the Contractor to continue performance, subject to the provisions of the "Limitation of Cost" or the "Limitation of Funds" clause, as applicable, until the effort expended equals one hundred (100%) percent of the established Level of Effort (or of the fee-bearing portion of the last upward revision); or

(ii) Effecting a reduction in the fixed fee by the percentage by which the total expended man-hours is less than one hundred (100%) percent of the established Level of Effort (or the fee bearing portion of the last upward revision).

(5) In the event that the expended level of effort of a term order exceeds the established level of effort by ten (10%) percent or less, but does not exceed the estimated cost of the order; the contractor shall be entitled to cost reimbursement for actual hours expended, not to exceed the ceiling cost. The contractor shall not be paid fixed fee, however, on level of effort in excess of one hundred (100%) percent without complying with subsection (e)(1) above. This understanding does not supersede or change subsection (e)(1) above, whereby the contractor and Government may agree on a change to the task order level of effort with an equitable adjustment for both cost and fee.

SECTION C DESCRIPTIONS AND SPECIFICATIONS

1.0 INTRODUCTION. The Naval Air Warfare Center Aircraft Division (NAWCAD) Patuxent River, St. Inigoes, Special Communications Requirements (SCR) Division supports numerous Department of Defense (DoD), Executive Branch, and other Federal Agencies by performing various engineering, design, development, acquisition, integration, and installation support services relating to Command, Control, Communications, Computers, and Intelligence (C4I) and information technology systems for special communication systems. As the Lead Systems Integrator (LSI) for critical communication systems engineering projects, SCR Division's mission is to provide non-repetitive, rapid response C4I solutions to close critical capability gaps and shortfalls in National Security. The purpose of this contract is to provide the research and development and engineering and technical support services necessary to fulfill SCR Division's mission needs within the National Capitol Region.

1.1 Scope. The contractor shall perform and support the SCR Division in the execution of National Capitol Region, Senior Executive Communications, Continuity of Operations Plan (COOP) and Continuity of Government (COG) efforts. These services shall support the overall research and development and engineering and technical support SCR Division provides for National Capitol Region communication and electronic (C-E) systems. No item in this Performance Based Statement of Work (PBSOW) shall be used to procure any services that are inherently governmental services or personal services. Types of systems represent a full range of communication-electronic systems, including, but not limited to:

- a) Video Teleconferencing Systems
- b) LAN/WAN (Classified up to Top Secret Level and Unclassified)
- c) Satellite Communications; UHF; Ku-Band; Ka-Band; X-Band; International Marine/Maritime Satellite (INMARSAT); Iridium; C-Band
- e) Radio Systems (Fixed, Mobile, Portable)
- f) Cryptographic Devices
- g) Communications and Data Centers

3.0 TECHNICAL REQUIREMENTS. The contractor shall provide the following research and development and engineering and technical support services to accomplish work as specified in the scope and paragraphs 3.1 through 3.9. Performance of this work shall be measured in accordance with the QASP. Services rendered shall require the contractor to perform efforts at the contractor's facilities, Government facilities, and other locations required by SCR Division.

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 54 of 177	FINAL
----------------------------------	---	----------------------------------	-------------------	-------

3.0.1 Planning meetings shall be held prior to the beginning of each effort to discuss cost, schedule and performance. Progress meetings shall be held periodically, as scheduled, during execution of each effort to ensure understanding of the requirement, review progress, and make any adjustments to the work effort to meet project goals.

3.0.1.1 The cost element discussions will include estimated level of effort per labor category, material, and travel requirements.

3.0.1.2 The schedule element discussions will include the time frame and key program milestone dates in which to accomplish the effort. When applicable, prioritization or re-prioritization of work completion based on overarching Government requirements.

3.0.1.3 The performance element discussions will include each of the areas of section 3.0 of the SOW, as applicable, method of quality assurance and location(s) of work performance.

3.0.2 Effort Tracking Process. The technical support services provided by the contractor are managed through planning meetings and will be documented in a Government designated system. Access to the Government system is controlled by the COR. The effort tracking process identifies the project, location, and timeframe needed for the contractor to accomplish the effort.

3.0.2.1 The Financial Progress Reports will be used to monitor expenditures against the contract CLIN. (CDRL G001). The process is used by the COR and Government Project Leads at the working level to monitor and track the contractor costs to ensure they are consistent with the work being performed.

3.0.2.2 All Effort Tracking records in the Government system shall be associated with tasking that is within the contract SOW and identify the specific paragraph(s) applicable to the effort. Efforts will be discussed with the contractor prior to execution to ensure the requirements are thoroughly understood by the contractor.

3.0.3 In accomplishing work under this task order, the contractor may be required to perform Equipment Installation of Personal Property within a Government Real Property facility as defined in OPNAVINST 11010.20 series, Facilities Project Instruction, Chapter 6 and Chapter 4.1.1h(2). Construction work as defined in OPNAVINST 11010.20, Classification of Work – Construction, Chapter 4 is not permitted under this task order. For any work that can be construed as construction, the vendor shall contact the COR to coordinate with the sponsoring agencies local facilities group to ensure compliance. If determined the work is construction, the COR and sponsoring agencies program office will coordinate with appropriate facilities group to accomplish the necessary work. If the contractor feels the work being performed needs clarification, contact the Procuring Contracting Officer (PCO) and COR to get a determination before proceeding.

REQUIREMENTS AND SOLUTION DEFINITION (23%)

3.1 Site Surveys (2%). Using SCR Division furnished criteria, the contractor shall review or conduct site surveys. The surveys will include face-to-face or teleconference meetings. Results of review or site surveys and associated technical data shall be provided in accordance with Exhibit A (CDRLs A001, E001, E002, and G004). Elements of this effort shall include:

a. Conduct surveys at SCR Division designated locations to determine architecture designs and conceptual architectural alternatives, design options and operational assessments.

b. Conduct or review site surveys. Identify facility layout, space considerations, cable plant layout and structural considerations. Identify and review available power, physical, environmental and security constraints. Identify stakeholders for supporting the system design, upgrade and operations and maintenance.

3.2 Research and Development, Design and Analysis (21%). The contractor shall provide research and development, design and analysis services in support of SCR Division activities. Results of analysis, studies and associated technical data shall be provided in accordance with Exhibit A (CDRLs A001, A002, A005, A007, A009, A010, B001, C001, E001, and E002). Elements of this effort shall include:

a. Perform studies and analyses to determine the cost and feasibility of implementing system(s) concepts and technological upgrades.

b. Document system design and alternatives. Provide initial evaluation result reports, possible design improvement alternatives with associated trade-offs and recommended approaches. Reduce potential incompatibilities, define potential

risk areas, identify alternatives and recommend design modifications to meet interoperability requirements. Provide a material equipment list (MEL) for each alternative.

c. Participate in design review meetings, technical reviews and conference presentations to provide design expertise. Provide specification drawings, technical reports including charts and hardware and software documentation detailing the purpose and objectives of the proposed system and operational constraints.

d. Prepare inputs to technical specifications for the procurement, fabrication or assembly of items. The contractor shall prepare specifications or inputs to specifications including master equipment lists (MELs), identifying required equipment.

e. Develop engineering change proposals to include changes based on user knowledge, lessons learned, fleet feedback, field experience and technology refreshment.

ENGINEERING AND TECHNICAL SUPPORT (50%)

3.3 Systems Integration and Installation (31%). The contractor shall install, integrate, upgrade and repair C-E systems to meet SCR Division mission, design and operational requirement. Required plans and associated technical data shall be provided in accordance with Exhibit A (CDRLs A001, A004, A011, C001, E001, and E002). Elements of this effort shall include:

a. Review available equipment and material performance characteristics to include identification and procurement of suitable equipment and materials. Prepare an integration plan that describes technical approach, interface requirements, electrical and physical layouts and schedule of events.

b. Provide services and materials to integrate, install, or upgrade the system equipment, environmental controls, power and supporting tactical and non-tactical systems. Perform adaptive engineering to support the integration of equipment and subsystems into required architectures while meeting operational requirements. Provide oversight of integration to verify whether the systems are fully responsive to specifications.

c. Prepare detailed installation design drawings and interface definitions. Prepare prototype fabrication drawings and fabricate applicable interface devices.

d. Accomplish integration and installation, including any necessary hardware and software development. Install, assemble, and fasten custom interior and exterior hardware devices including: workstations, cables, cable raceways, assemblies, peripherals and interface devices, racks, slide trays, vents, power inlet/outlets, cabinets, connector panels, mounts, junction boxes and fixtures.

e. Develop and provide revisions to operator and technical instruction manuals, develop checkout procedures, perform installation checkouts, and prepare reports of checkout results. Manuals include, but are not limited to, instructions for handling, transporting, installing, operating and maintaining systems.

f. Repair and refurbish systems and subsystems, including hardware development, enhancement or upgrades.

3.4 Test, Evaluation and Training (15%). The contractor shall provide test, evaluation and training support services in support of SCR Division activities. The contractor must provide subject matter experts (SME) with experience in testing and troubleshooting systems. Required plans, associated reports and documentation shall be provided in accordance with Exhibit A (CDRLs A001, C002, D001, D002, E001, E002, and G006). Elements of this effort shall include

a. Develop test plans and procedures to test and evaluate systems.

b. Provide independent evaluation of test plans, procedures, results and data. Identify deficiencies and recommend corrective measures. Take corrective action to resolve problems identified by the SCR Division.

c. Prepare and submit test reports which will include test results and conclusion recommendations for corrections of any deficiencies encountered during testing.

d. Perform system acceptance testing to ensure that the installed system meets all functional, operational, and

----------------------------------	---	----------------------------------	-------------------	-------

performance characteristics within the specification and it adheres to all identified standards.

e. Provide system courses or seminars. Training for new equipment or updated software will be provided after upgrades. Develop, maintain and update training plans, materials and curriculum.

3.5 Software Development (3%). The contractor shall provide services to define, code, debug and test software using SCR Division furnished criteria. Required software shall be provided in accordance with Exhibit A (CDRLs A001, A009, D001, E001, and E002). Elements of this effort shall include:

a. Define and identify the functional and performance requirements for each software component of the system and document how the identified requirements satisfy the specific mission, goals and objectives of the fully integrated system.

b. Document the software specification which shall include a detailed functional summary for each module, including all data inputs, screens formats for each input function, input data sources, processing requirements, interface requirements, data flow and proposed programming languages.

c. Document database specification which shall include a discussion of the organization of the database structure, field tables, storage requirements and record linkages.

d. Document the system program specification, which shall include a description of the function and purposes of each module, accuracy and validity requirements, timing, flexibility, interfacing requirement and constraints, security requirements and output destination(s) and formats.

e. Develop, code, debug and test the required units, modules and programs and create the database systems in accordance with the specifications. Models, simulation, and/or test programs shall be designed as appropriate for reliable code assessment and validation. Debug each program before formal system testing.

f. Provide independent evaluation of software specifications and code. Identify deficiencies and recommend corrective measures. Take corrective action to resolve code problems as identified by the SCR Division.

3.6 Graphics and Documentation Support (2%). Using SCR Division provided information and data, the contractor shall provide graphics and documentation support. This support includes the development of briefings, technical reports, drawings and system manuals. Also includes development of display materials, brochures, web development and electronic publishing. Knowledge of the most current version of the following software programs (at time of contract award) is required: PhotoShop, Word, Power Point, MS Access, Excel, Adobe Premiere, Macro Media Director, AutoCAD, Visio and SolidWorks. Associated technical data shall be in accordance with Exhibit A (CDRLs A001, A009, C001, D001, E001, and E002).

LOGISTICS AND MAINTENANCE PLANNING AND EXECUTION (27%)

3.7 Operations and Maintenance (18%). The contractor shall provide operation and maintenance support for new and upgraded systems including hardware and software installation, removal, repair and intermittent testing of system components in support of the SCR Division mission from approved operational requirements documents. Required plans and procedures shall be provided in accordance with Exhibit A (CDRLs A001, A003, A008, A011, B002, E001, E002, and G006). Elements of this effort shall include:

a. Recommend operation and maintenance procedures for the system and implement after SCR Division approval. Provide support for identification of an operation and maintenance infrastructure to satisfy SCR Division and system operational and mission requirements.

b. Provide support for on-call and or on-site operations and maintenance support.

c. Conduct maintenance activities. Execute routine maintenance and upgrade activities. Support corrective maintenance solutions, providing on-call support per established response time. Investigate and recommend maintenance and service agreements with vendors for outside services. Conduct system vulnerability and security assessments and make recommendation to correct deficiencies to reduce risk.

3.8 Integrated Logistics Support (2%). The contractor shall provide integrated logistics support (ILS) services for new and modified systems. This may include system level logistics planning to include sustainability, operational effectiveness, suitability requirements and full life cycle functions required to optimize system performance and to minimize costs. Associated technical data shall be in accordance with Exhibit A (CDRLs A001, A007, A008, A011, B002, C001, E001, E002, and G006). Elements of this effort shall include:

- a. Develop or review ILS strategies, supporting system requirements considering geographic area of deployment, equipment requirements, supportability, interoperability, availability, procurement lead times, inventory and stocking requirements. Develop and maintain provisioning parts list for spare and repair parts.
- b. Provide integrated logistics planning and analysis for new, existing and refurbished/modified systems.
- c. Develop, review, analyze, or update service maintenance concepts and plans, reliability plans and reports, operations and maintenance manuals, training manuals, instructor guides, trainee guides and classroom presentation material.
- d. Conduct supportability analysis on new and modified electronic and related systems elements of reliability, maintainability, and availability as they apply to the following: maintenance planning, supply support, support equipment, trend analysis, technical data, manpower and personnel, computer resources, training and training support, packing, handling, shipping, transportations, facilities, and design influence.
- e. Receive, inspect and ship equipment and materials for systems development and life cycle support requirements.
- f. Prepare and maintain Configuration Management Plans. These plans will include policy and procedures for the identification and control of systems hardware, software and documentation.
- g. Conduct systems operation and maintenance manual verification and validation (VER/VAL). Conduct physical configuration audits (PCAs) and physical configuration reviews (PCRs).

3.9 Hardware Tracking Support (7%). The contractor shall provide hardware tracking support to gather data for equipment and hardware requirements. Required material reports and analyses shall be provided in accordance with Exhibit A (CDRLs A001, A005 and E002). Elements of this effort shall include:

- a. Provide tracking and monitoring support for material and supplies required to meet SCR Division's mission functions for National Capitol Region C-E equipment/systems and subsystems; conduct data gathering per Federal Acquisition Regulation (FAR) Part 10, identify sources who may have the material capable of satisfying the SCR Division's requirements. Provide assistance with identifying quantity and schedule requirements (including requirements for spare parts support) and support planning for the procurement of long lead items.
- b. Maintain a current list of required hardware items that are to be procured and provide technical inputs for the preparation of procurement documentation.
- c. Provide monitoring and tracking of all material/equipment during activities in the acquisition process (from procurement planning, receipt and bar-coding of material/equipment, to delivery of the final product). The contractor shall interface with SCR Division technical personnel and with vendors regarding delivery status of equipment and materials required to support National Capitol Region C-E systems and subsystems.
- d. Review Federal Stock System for availability of required items.
- e. Enter, update, and complete requisition tracking data in automated systems.
- f. Using the Government's automated system, track acquisition status from procurement initiation to hardware delivery. Compare expected hardware availability with system installation, test, and operational schedules. Utilize the Government's automated system to provide material tracking reports and to identify delinquent material deliveries. Notify SCR Division of discrepancies between schedules and hardware delivery.

----------------------------------	---	----------------------------------	-------------------	-------

g. Maintain accurate inventory records on equipment received by the contractor for storage prior to integration. Warehouse equipment and materials; establish and maintain a system for tracking, inventorying, and managing parts and equipment required for test and repair of systems.

h. Perform analyses, gather information, and make recommendations to SCR Division concerning use and integration of NSN and non-NSN hardware materials.

i. Input requisition receipt data in the Government's automated system for commercial procurements, when directed by SCR Division and received by the contractor.

j. Input, recall, forward, and print data from the NAVAIR/NAWCAD corporate procurement initiation systems.

4.0 MATERIAL REQUIREMENTS. This task order has a material funding allocation (CLIN) which is to permit the immediate responses to system development requirements, system failures, and system operation requirements. All material procurements will be procured in accordance with NAVAIR Clause 5252.242-9515. Material requirements are projected to consist of the following:

Electronic Components and Materials:

Amplifiers, Antennas, Backshells, Batteries, Bridge, Cable Assemblies, Cables, Cameras, Capacitors, Charging Devices, Chemicals, Circuit Boards, Circuit Breakers, Cleaners, Codecs, Communications Special Enclosures, Cellular Equipment, Connectors, Control System Hardware, Crystals, Data Controllers, Diodes, Diplexers, Eliminators, Encryption Devices, Fiber Optic Equipment, Filters, Free Space Optic Equipment, Fuses, Generators, Hubs, IC Circuits, Inductors, Inserts, Lamps/Bulbs, Laptop Personal Computers, Microphones, Modems, Modules, Multipoint Control Units, Network Test Equipment, Patch Cords, Power Distribution Units, Power Supplies, Printers, Radio Equipment, Relays, Repair Materials, Resistors, RF Adapters, Routers, Satellite Equipment, Semi-Conductor Devices, Servers, Solar Panels, Speakers, Special Enclosures, Splices, Switches, Telephones, Telephone Switches, Terminals, Test Equipment, Touchpanels, Transformers, Transistors, Video and Audio Equipment, Video Displays, Video Projectors, Wire Work Stations.

Vehicle Fabrication/ Integration Material:

A/C Generator Sets, Antennas and Automotive/ Vehicular Accessories, Chassis, Chassis Components, Drive Trains, Environmental Conditioning Units, Power Systems Units, Vehicle Bodies, Vehicle Engines, 12vDC Inverters.

Hardware:

Bolts, Boxes, Brackets, Braces, Brads, C-E Cases, Conduits, Electrical Boxes, End Fittings, Face Plates, Fiberglass, Foam Inserts, Handles, Heat Shrink, Hinges, Interior/Exterior Mounts, Intermediate Distribution Frames, Metal (Various Gauge), Nuts, Plastic, Racks, Rack Assembly, Rivets, Rivnuts, Screws, Slides, Washers, Wood.

Software:

Word Processors, Spreadsheets, Database Managers, Utilities, Operating Systems, Graphic and Presentation Packages, Mail Systems, Network Handlers, Communication Packages, Customized Software, and Miscellaneous Software.

Miscellaneous Material:

Binders, Data Storage Medium, De-Greaser, Deliverable/Documentation Consumables, Dividers, Electronic Components Cleansing Materials, Electronic Repair Services, Mylar, Paint, Shipping/Freight Supplies/Services, Solder, Vu-graph Supplies, and other material costs in accordance with this task order.

5.0 PROGRESS REPORTS

5.1 Technical Report. The contractor shall submit a monthly technical progress report and deliver to NAWCAD Patuxent River, St. Inigoes by the 10th of the month following the first full month of the contract (CDRL F001). The TOM may request submittal of the monthly progress reports via electronic storage, such as CDs. The report shall include the following items and data:

- a. Cover sheet.
- b. Major milestones summary. The contractor shall provide a contract level summary of major

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 59 of 177	FINAL
----------------------------------	---	----------------------------------	-------------------	-------

accomplishments and associated benefit to SCR Division during the month.

c. Data Calendar. The contractor shall provide a data calendar showing all overdue data items required under the contract. Provide an explanation of why the deliverables are late and when they will be delivered. The calendar shall be updated monthly and provided with the progress report.

d. Identification of new problem areas.

e. Status of previously identified and open problem areas.

f. Justification for cost increases or schedule slippages, if any, which may differ from previous reports to the original estimate to complete specific efforts.

g. Monthly and cumulative labor hours bid and expended per contract labor category, names of employees charged to each contract labor category, and total labor cost per Contract Line Item Number (CLIN).

5.2 Performance Based Evaluation Report. Quarterly and annually the contractor shall prepare a performance based evaluation report (CDRL G005). The performance based evaluation reports shall include the following items and data:

a. Quarterly Performance Based Evaluation Roll-up Reporting. The contractor shall provide a quarterly cumulative self-evaluated depiction displaying how the contractor is performing against each established performance evaluation area as proposed by the contractor. The report shall be broken out to the lowest level that is economically feasible using the contractor's lowest Work Breakdown Structure Number (WBSN) and include an executive summary of the overall self evaluation. Any self-evaluation of Excellent or Very Good shall include a justification for the rating, any self-evaluation of Unsatisfactory shall include an explanation and a detailed remediation plan.

b. Annual Performance Based Evaluation Detailed Reporting. The contractor shall provide an annual detailed self-evaluated depiction displaying how they are performing against each established performance evaluation area as proposed by the contractor with examples of how the contractor has demonstrated receiving all self-evaluated grades. The detailed written report shall be broken out using the contractor's lowest WBSN and include an executive summary of the overall self evaluation. Any self-evaluation of Unsatisfactory for any performance evaluation area shall include a detailed remediation plan.

The TOM will consider the contractor's self-evaluations when evaluating contractor performance.

5.3 Financial Progress Report. (CDRL G001) Financial progress reports shall be submitted at a minimum of twice a month, within five (5) working days after the end of every reporting period in conjunction with the contractor's time/fiscal accounting system. If the required submittal date is a holiday, the reports shall be submitted by 1200, e.s.t. of the next working day. These financial status reports will be transmitted electronically to the TOM, at an NMCI email account, via a contractor-furnished work station. Instructions for electronic submission are provided in the Electronic Transfer of Contractor Expenses, Appendix (1). Before implementing a system or schedule for submission, the contractor shall check with the TOM to ensure all Code 4.5.11 requirements are met.

5.3.1 The financial progress report shall include costs broken out to the contractor's lowest WBSN. All costs shall role up to a cumulative amount per CLIN, option period and contract level. The contractor shall include the following items and data:

a. Current and cumulative labor hours bid and expended per contract labor category, names of employees charged to each contract labor category, and total labor cost per CLIN.

b. Total cost and list of materials expended including outstanding commitments for each CLIN, current and cumulative.

c. A list of travel and per diem charges per trip, for each CLIN including total current and cumulative expenses.

d. Total costs under each CLIN, current and cumulative.

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 60 of 177	FINAL
----------------------------------	---	----------------------------------	-------------------	-------

5.3.2 The contractor shall conduct quality reviews of all data before and after each electronic submission and is responsible for updating and correcting errors and omissions on current and cumulative expense data within 48 hours of submission. Adjustments to all current and previously exercised CLINs shall be submitted electronically, as required, to the level of detail specified in the Electronic Transfer of Contractor Expenses, Appendix (1), as the adjustments occur.

5.3.3 Additionally, a copy of the financial data transferred shall be submitted the Friday following the electronic transmission by 1600, e.s.t. If the required submittal date is a holiday, the copy shall be submitted by 1600 the next working day. Submission of the first report is required within 30 days after contract award, and the copy will be in the format provided in the Financial Progress Report Format, Appendix (2). Prior year adjustments shall be made at the lowest level, and shall be available upon request.

6.0 QUALITY ASSURANCE

6.1 Best Commercial Workmanship. The contractor shall provide and maintain a quality program in accordance with the following:

a. The contractor is required to maintain and operate a facility wide quality management system that is designed for the products and services to be provided.

b. The manufacturing and quality management systems will use ANSI/J-STD-001, "Requirements for Soldered Electrical and Electronic Assemblies" IPC-A-610, "Acceptability of Electronic Assemblies", and IPC-R-700, "Suggested Guidelines for Modification, Rework and Repair of Printed Boards and Assemblies" as the required guidelines for producing electrical and electronic assemblies.

c. The quality management system will use the quality requirements as defined in FAR 46.202-4(a) and satisfy ISO 9001:2008, "Requirements for a Quality Management System".

d. The quality management system documentation and the system's effectiveness are subject to review by NAWCAD at any time during the period of performance.

e. Standard program data that may be required by SCR Division to compile trend studies and specific standards and practices shall be made available via individual efforts.

6.2 The contractor's quality management organization must be clearly defined and employees providing quality functions must have adequate responsibility, authority, and freedom to identify and evaluate problems and to initiate, recommend, or provide corrective action.

6.3 A periodic review of quality requirements shall be conducted by the contractor to identify the controls, processes, skills, fixtures, tools, and test equipment needed to ensure product quality. The results of this review shall update inspection and testing techniques, instrumentation, manufacturing methods and processes.

7.0 FACILITIES/PROPERTY/INFORMATION TECHNOLOGY.

7.1 Contractor-Furnished Facilities. The contractor shall provide its own support facilities needed to perform. Facilities shall be within 45 driving miles of NAWCAD, Patuxent River, and St. Inigoes, MD and shall satisfy the daily technical and management operation of the service contract. The contractor shall provide all equipment and office/facility furnishings to support the PBSOW requirements. The contractor is required to be Capability Maturity Model Integration (CMMI) Level 3 certified within the local region.

The contractor shall also provide laser printers, fax machines, and other office automation equipment for each building in such a manner that employees' time can be utilized in the best fashion, without delays in waiting for data to be processed or be printed out. Portables are to be used for remote/web access only. Contractors are mandated by DOD policies to use government-approved client PKI's, Class 4 Certificates, for accessing various government DOD resources, i.e. WEB Sites. The contractor shall provide approved client DOD client PKI Class 4 Certificates or CAC Badge/CAC Readers. The contractor shall provide all desks, chairs, and other office/facility furnishings. The cost shall not be a direct charge to the Government.

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 61 of 177	FINAL
----------------------------------	---	----------------------------------	-------------------	-------

The contractor shall coordinate with the COR all Information Technology (IT) network or website access requirements and shall be in accordance with the latest DoD policies and the SCMS Research, Development, Test and Evaluation (RDT&E) Network Standard Operating Procedures (SOP) (Section J - Attachment 16).

7.2 Government-Furnished Facilities/Property. The SCR Division may provide limited laboratory and integration space for the contractor for on-site work requirements located at NAWCAD, Patuxent River, St. Inigoes, MD. If the contractor chooses to alter the work area in any manner, they shall have prior approval from the TOM and shall be responsible for the cost of any modifications approved. The contractor shall provide all equipment, tooling, test equipment, office/facility furnishings and equipment, and transportation vehicles to support the PBSOW requirements. Transportation vehicles shall be provided to support and meet delivery and pick-up of Government provided equipment and integration materials, when scheduled. Integration materials will be provided to the contractor. On a limited case by case basis, special purpose equipment may be provided for use in the test and evaluation of Government furnished property as directed by SCR Division. The cost of transportation vehicles supporting PBSOW requirements for the contractor to conduct its normal business operations will not be considered as an allowable direct cost in the performance of the contract.

Contractor-owned equipment will be permitted connection to NAVAIR/DoD networks in order to carry out the performance of this contract. Upon contract award, the contractor shall provide all government site employees' desk top computers to conduct daily work that meets all of the hardware, software and standard architecture set forth in the SCMS RDT&E SOP. Portables are not allowed. Desktop computers shall have sufficient memory, hard disk space, a network interface card, CAC Readers, and the capability of running a full range of standard software, including current versions of Microsoft Windows Operating System and Microsoft Office Professional. All Contractor-owned hardware or software shall meet DoD 8500.2 IA Controls. The Contractor shall provide technical support for the contractor-owned hardware and software. All contractor-owned desktop computers provided for Government facility access will be submitted for re-imaging and validation scanning prior to allowing connection to the RDT&E local area network. Approval is required by the COR and SCMS Network Information Site Security Officer prior to connection. All connected desktops will be subject to continuous monitoring.

7.3 Navy Marine Corps Intranet (NMCI) Instructions. The contractor is advised that Information Technology (IT) services, if required for contract performance, shall be ordered from the Navy Marine Corps Intranet (NMCI) contract in accordance with the provisions of 5252.237-9503. When required, the contractor shall order NMCI seats and services and provide a copy of purchase order, itemized by name, seat type, and locations to the NAVAIR NMCI Customer Technical Representative (CTR) via the local 4.5 NMCI POC. Where applicable, application tool suites under this effort shall be modernized and developed in accordance with the Navy Enterprise Application Developer's Guide (NEADG), which includes Functional Area Manager (FAM), NMCI and Task Force Web requirements. Any tools developed that will be hosted by NMCI or run on NMCI workstations will need to be certified for NMCI and comply with NMCI and Navy policy. Servers and/or applications supporting this effort may also be transitioned in accordance with the NAVAIR Server Consolidation plans and policies.

7.4 Information Assurance and Personnel Security Requirements. The contractor may be required to access Government IT Systems. Contractor personnel requiring access to Government IT Systems, shall comply with NAVAIR Clause 5252.204-9505 and in accordance with CDRLs F003 and F004.

7.5 Special Facilities. Under this contract, contractor employees, spouses, and family members assigned overseas within the European Theater in Germany will be regulated by Army in Europe (AE) Regulations 600-700 dated 4 Feb 2010, or its replacement as superseded. Individual Logistics Support for Civilian Contractor Personnel will be provided in accordance with Chapter 7 of this Regulation.

8.0 DATA ITEMS FORMAT. The contractor shall provide a uniform order of the following information clearly placed on all required contract data item (deliverables): contract number, contractor's name, contractor WBSN, CDRL number and title, period covered, and date of submission. Progress reports identified in paragraph 4.0 shall include charts, curves, and other graphics needed to clearly define the status of the contract. All data items required by the CDRLs (DD Form 1423, Exhibits A through G) shall be distributed to the TOM.

8.1 The contractor shall provide deliverables in electronic format whenever possible. Deliverables shall be

electronically mailed to the TOM where feasible, or delivered by hand or postal service in electronic or hard copy format. Specific InterNet addresses for electronic submission of deliverables will be provided after contract award.

9.0 OPTION CLOSE-OUT. Within 90 days after completing each option year, the contractor shall provide a close-out report. The report shall include financial data, deliverable status, disposition of Government-Furnished Equipment/Information and Contractor-Furnished Materials, list of Government-furnished materials, and outside services, as a minimum. The close-out report then shall be signed by the contractor program manager and forwarded to NAWCAD Patuxent River, St. Inigoes, Code 4.5.11.3. Appendix (3) provides an example of the required format (CDRL G002).

10.0 SEGREGATION OF COSTS AND INVOICE REQUIREMENTS (CDRL G003).

10.1 The contractor shall segregate costs incurred under this contract at the lowest level of performance, rather than on a Contract Line Item Number (CLIN) or total contract basis, and shall submit invoices reflecting costs incurred at that level. In addition, the contractor shall submit invoices containing summaries of work charged during the period covered, as well as overall cumulative summaries for all work invoiced to date.

10.2 When there is more than one line of accounting, the Government will describe each ACRN preceding the accounting citation in the contract or a particular CLIN. The Government will pay contractor invoices by charging only an ACRN corresponding to the CLIN invoiced. Accordingly, when there are many lines of accounting, the Government will fund each CLIN separately and it will summarize the funding level for each CLIN. The contractor's invoices shall state separate incremental and cumulative amounts for each CLIN with further segregation by contractor's WBSN.

10.3 Invoices shall contain the following cost elements by schedule and include supporting detail. Invoices shall be submitted with two attachments. The first attachment shall contain Schedules A through D, F and G and shall be provided as fully burdened. The second attachment shall contain Schedule E.

Invoice summary for current billing period and cumulative.

Schedule A - DIRECT LABOR

Employee Identifier	Labor Category	<u>Period Covered</u>			<u>Cumulative</u>	
		Hours Billed	Burdened	Cost**	Hours Billed	Burdened Costs*
		Off-site	On-site*	Cost**	Billed	Costs*
TOTAL		_____	_____	\$ _____	_____	\$ _____

*On-site work is considered to be work performed at a Government installation. Off-site work is work performed at the contractor's facility.

**Unburdened rate information shall be made available upon request. When requested, unburdened rate information shall not include indirect costs and shall reflect the actual rate paid.

Schedule B - MATERIAL

Material charges shall be itemized and shall include the invoice number, date, total amount, company, purchase order number, and description of the item. A copy of the paid invoice shall be made available upon request.

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 63 of 177	FINAL

Schedule C - TRAVEL

Travel charges shall be itemized and shall include the dates of travel, names of individuals traveling, destination, purpose, and total cost. A copy of the travel voucher shall be made available upon request. Copies of back-up receipts need not be submitted; however, they should be retained and are subject to review.

Schedule D - OTHER DIRECT CHARGES

Other direct charges shall be itemized. Copies of invoices shall be available upon request. Subcontractor invoices shall be in the same format and require the same detail.

Schedule E - INDIRECT CHARGES

Indirect charges include those charges based upon a rate that is subject to verification by DCAA at contract closeout.

Schedule F - ADJUSTMENTS

Current fiscal year invoice adjustments shall be shown in this section along with the justification. Adjustments that pertain to prior fiscal years shall be invoiced separately.

Schedule G - OUTSTANDING COMMITMENTS

Any authorized expenditure that remains unpaid but will be reimbursed pending the receipt of a supplier invoice or travel claim shall be shown in the section.

Invoices that must be segregated by CLIN can either have the CLINs itemized on each schedule or each CLIN can be presented individually. The contractor is not authorized to claim nor will the Navy pay for direct costs associated with preparation of an invoice.

Program management/support charges are limited to the first level supervisor. Program management hours above the supervisory level and other support hours not identified in the RFP must be explained in the proposal with a justification of the specific duties to be performed. The costs shall not be permitted without approval of the contracting officer.

11.0 OPSEC PLAN. The Operations Security (OPSEC) plan shall be furnished pursuant to the requirements provided herein. Required information shall be provided (CDRL F002).

11.1 The contractor shall provide OPSEC protection for all classified information (as defined by FAR 4.401) and sensitive information (as defined by Section 3 (d) (4) of PL 100-235 (101 Stat 1727)), pursuant to the National Security Decision Directive 298 of 22 January 1998 and DFARs clause 252.239.7016. In order to meet this requirement, the contractor shall develop, implement, and maintain a facility level OPSEC program in accordance with Exhibit A to protect classified and sensitive information to be used at a contractor's and subcontractor's facilities during the performance of this contract.

11.2 The contractor shall be responsible for subcontractor implementation of the OPSEC program requirements for this contract. The OPSEC plan shall be developed in accordance with the requirements set forth in NAWCINST 3432.1 and OPNAVINST 3432.1, and submitted to NAWCAD SCR Division Patuxent River, St. Inigoes.

12.0 WORKPLACE AND SCHEDULE

12.1 Restricted Entry to the Workplace. In the event that the offeror/contractor is restricted from entry to the workplace due to non-controllable emergencies such as weather, power outages, etc., the offeror/contractor shall not charge the non-work time as direct labor to the contract.

12.2 Building Security. The contractor may be required to perform building security responsibilities when provided office or lab spaces in a Government building under this contract. These responsibilities may include such duties as ensuring that all windows are closed and locked, coffeepots are turned off, all external doors are locked, or other duties as deemed necessary by SCR Division. Each building will have written procedures for the responsibilities of securing that building. If the contractor's failure to use reasonable care causes damage to any property, the contractor shall replace or repair the damage at no expense to the Government. If the contractor fails to secure the external doors, he/she may be

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 64 of 177	FINAL
----------------------------------	---	----------------------------------	-------------------	-------

called back to lock the door after regular working hours. This time may not be a direct charge to the contract.

12.3 Work Schedule. The contractor shall provide the required services and staffing coverage during normal working hours (NWHs). NWHs are usually 8.5 hours (including a 30-minute lunch break), from 0730-1600 each Monday through Friday (except on the legal holidays specified elsewhere). Some supported Government offices have flexibility to start as early as 0600/0630 and end as late as 1800 Monday - Friday. Services and staffing shall be provided for each office at least 8 hours per day (during the 8.5 hour workday which includes the 30-minute lunch break).

Government Employees are allowed to voluntarily work a "Compressed Work Schedule" (CWS). CWS is an alternative work schedule to the traditional five 8.5 hour workdays (which includes a 30-minute lunch) worked per week. Under a CWS schedule an employee completes the following schedule within a two-week period of time: eight weekdays are worked at 9.5 hours each (which includes a 30-minute lunch), one weekday is alternately worked as 8.5 hours (which includes a 30-minute lunch) and one weekday is not worked by the employee. The result is 80 hours worked every two weeks, with 44 work hours one week and 36 work hours the other.

The contractor awarded this contract, with agreement by TOM, may allow its employees to work a CWS schedule. Any contractor that chooses to allow its employees to work a CWS schedule in support of this contract, agrees that any additional costs associated with the implementation of the CWS schedule vice the standard schedule are unallowable costs under this contract and will not be reimbursed by the government. Furthermore, all contractors shall comply with the requirements of the Fair Labor Standards Act and particularly with Section 7 regarding compensatory overtime. Additionally, the CWS schedule shall not prevent contractor employees from providing necessary staffing and services coverage when required by the Government facility.

13.0 TRANSPORTATION. The contractor may, on occasion, be required to provide transportation to SCR Division members of the TDY team when it is deemed most economical to the Government and is otherwise in the Government's best interest.

14.0 OCONUS TRAVEL. The contractor may be required to provide support outside of the Continental US (OCONUS) in support of National Capitol Region C-E systems and subsystems as required by COR in accordance with DFAR clause 252.225-7040. **OCONUS locations may include Germany, Italy, and South Korea.** OCONUS support shall include, but not limited to, overall research and development, design, analysis, integration, installation, test and evaluation, operations and maintenance, software development, training, logistics, graphics, documentation and hardware acquisition support for National Capitol Region C-E systems in accordance with PBSOW paragraphs 3.0 - 3.9.

MINIMUM LABOR CATEGORY QUALIFICATIONS:

a. Administrative Assistant. This labor category shall conduct administrative and record keeping aspects of the operation of engineering or technical projects/programs. Minimum qualifications are:

- (1) Associate's degree in the field of business or related field.
- (2) Four years of office experience including office management, financial analysis, data

collection, and reports processing.

OR

- (1) High school diploma or equivalent.
- (2) Six years of office experience including office management, financial analysis, data

collection, and reports processing.

b. Broadcast Specialist. This labor category shall oversee the operation of video and audio equipment, both in the studio and in field recording situations. Operates a variety of sophisticated audio and video recording equipment in the studio and in the field. Performs general equipment maintenance and updating of video audio equipment. Performs general equipment maintenance and updating of satellite uplink and downlink systems. Responsible for the successful technical operation of a network. Provides technical direction as needed, including, but not limited to lighting, and audio. Responsible for seeing that all designated television productions are carried out correctly, including all aspects of planning, scripting, production and post-production, record keeping and billing. Minimum qualifications are:

- (1) Associate's degree in a broadcasting related discipline.
- (2) Six years of experience in the designated television production including all aspects of

planning, scripting, production and post – production.

OR

(1) High School Diploma.
(2) Eight years of experience in the designated television production including all aspects of planning, scripting, production and post – production.

c. Draftsman/Illustrator III. This labor category shall provide drafting and illustrating support for the contract. Minimum qualifications are:

- (1) Associate's degree in the field of drafting or illustration.
- (2) Two years of experience in drafting or illustrating in the mechanical or electronics field.

OR

- (1) High school diploma or equivalent.
- (2) Five years of experience in drafting or illustrating in the mechanical or electronics field.

d. Electrical Engineer (Key). This labor category shall provide engineering support for the study and application of electricity, electronics and electromagnetism of C-E equipment/systems and subsystems. Minimum qualifications are:

- (1) Bachelor's degree in the field of Electrical Engineering.
- (2) Three years of experience in C-E equipment/systems and subsystems analysis techniques, test and evaluation procedures or test and design support requirements.
- (3) One electrical engineer required to have three year of Radio Frequency (RF) engineering experience. Individual with RF engineering experience is to be utilized as the key personnel.

e. Electrician. This labor category shall perform installations, tests, repairs, overhauls, modifications and maintenance of C-E equipment/systems and subsystems. Minimum qualifications are:

- (1) High school diploma or equivalent.
- (2) Five years of experience in installing, testing, repairing, overhauling, modifying and

maintaining the electrical systems within C-E equipment/systems and subsystems.

f. Electronics Technician I. This labor category shall provide knowledge of assembly, installation, testing, splicing, verification and checkout of cables, basic hardware configuration, soldering, cable assembly and familiarity with tools and test equipment. Minimum qualifications are:

- (1) Associate's degree in the field of electronics technology/ or engineering discipline.

OR

- (1) High school diploma.
- (2) Two years of practical experience with electronics troubleshooting.

g. Electronics Technician II. This labor category shall provide knowledge of assembly, installation, testing, splicing, verification and checkout of cables, basic hardware configuration, soldering, cable assembly and familiarity with tools and test equipment. Minimum qualifications are:

- (1) Associate's degree in the field of electronics technology or engineering discipline.
- (2) Two years of practical experience in electronics troubleshooting.

OR

- (1) High school diploma plus U.S. Military Electronics school or equivalent.
- (2) Four years of practical experience with electronics troubleshooting.

h. Electronics Technician III. This labor category shall apply advanced technology to solve complex problems regarding C-E equipment/systems and subsystems component installation, integration, test and evaluation, troubleshooting, and repair. Minimum qualifications are:

- (1) Associate's degree in the field of Electronics or engineering discipline.
- (2) Four years of practical experience in electronics.

OR

- (1) High school diploma plus U.S. Military Electronics school or equivalent.
- (2) Six years of experience including six years directly involved with electronics.

i. Electronics Technician IV. This labor category shall apply advanced technology to solve complex problems regarding C-E equipment/systems and subsystems component installation, integration, test and evaluation, troubleshooting, and repair. Minimum qualifications are:

- (1) Associate's degree in the field of Electronics Technology or engineering discipline.
- (2) Six years of practical experience in electronics.

OR

- (1) High school diploma plus U.S. Military Electronics school or equivalent.
- (2) Eight years of experience including eight years directly involved with electronics.

l. Logistics Technician. This labor category shall provide support for logistic technology of integration, installation and test and evaluation. Minimum qualifications are:

- (1) High school diploma or equivalent.
- (2) Three years of experience in the field of integrated logistics.

m. Material Handling Laborer. This labor category shall perform a variety of tasks involving material warehousing, assembly and fabrication preparation and cleanup, kitting and general helper work with Technicians and maintenance personnel.

- (1) High school diploma or equivalent.

n. Mechanical Engineer. This labor category shall provide engineering for the support of mechanical aspects of systems and systems design, heat analysis, structural air craft load analysis. Minimum qualifications are:

- (1) Bachelor's degree in the field of Mechanical Engineering.
- (2) Three years of experience in C-E equipment/systems and subsystems analysis techniques, test and evaluation procedures or test and design support requirements.

o. Program Manager (Supervisor) (Key). This labor category shall serve as the overall lead or director on the contract and as the liaison between the contractor and the Government. Minimum qualifications are:

- (1) Bachelor's degree in the field of Computer Science, Criminal Justice, Engineering, Information Management, Engineering Management or Business Administration.
- (2) Ten years of experience in engineering management, or computer science and supervision of multiple projects in the design/field service of C-E equipment/systems and subsystems and National Capitol Region Agencies to include functional domains such as Executive, Legislative and Judicial Branches.

p. Project Manager (Supervisor) (Key). This labor category shall serve as principal project coordinator on the contract and shall be responsible for managing various elements of the total contract effort. Minimum qualifications are:

- (1) Bachelor's degree in the field of Computer Science, Criminal Justice, Engineering, Information Management or Engineering Management.
- (2) Five years of progressive experience engineering, or computer science management and supervision of a project in the design/field service of C-E equipment/systems and subsystems.

OR

- (1) Associates Degree in the field of Computer Science, Engineering, Information Management.
- (2) Seven years of progressive experience in computer science or engineering management and supervision of a project in the design/field service of C-E equipment/systems and subsystems.

q. Senior Network Engineer (Key). This labor category shall serve as a team leader for the support of tasking that involves engineering development, integration and interface design analysis, installation, integration, fielding and field analysis, operation, maintenance, and testing of hardware and software. Qualified personnel shall have the foregoing experience relating to local, regional and wide area networks and systems supporting voice, video, data and imagery information. Minimum qualifications are:

- (1) Bachelor's degree in the field of Computer or Electrical Engineering.
- (2) Five years of experience in network design, administration, operations, procedures and

DEFINITIONS

As used in the Minimum Labor Category Qualification descriptions for this contract, the terms indicated shall be defined or their meaning qualified as follows:

academic year - a full or complete year of study at a junior college, college, university, or other academic institution toward which at least 30 semester hours or 45 quarter hours of undergraduate study, or 18 semester hours or 27 quarter hours of postgraduate study, were completed.

accredited institution - a post-secondary educational institution (junior college, college, university, technical trade, or professional school) which was approved by an accrediting agency listed as nationally recognized by the U.S. Department of Education.

accredited program - an educational program or course of study offered by a post-secondary educational institution which was approved by an accrediting agency listed as nationally recognized by the U.S. Department of Education.

degree - an academic title conferred by an educational institution upon completion of a unified course of study; if not otherwise qualified, the term shall mean a degree at the bachelor's, master's, or doctoral levels only.

engineering or engineering discipline - when used in relation to educational or work experience requirements, "engineering" shall mean any of the following specific subjects, disciplines, or areas of work experience only: computer, network, electrical, electronics or mechanical.

experience and years of experience.

a) When used in relation to requirements for past participation in professional work or employment activities, "experience" shall mean full-time (on the basis of a standard forty hour work week) participation, at least one-half of which time was spent performing qualifying functions as practitioner or employee.

b) When used in relation to requirements for a particular term or period of participation, "years of experience" shall mean full, productive years of participation. Productive years are work years of fifty-two weeks reduced by reasonable amounts of time for holiday, annual, and sick leave. If participation was part-time, or if less than one-half of the standard work week was spent performing qualifying functions, the actual time spent performing qualifying functions may be cumulated to arrive at full years (or years and months) of experience. For example, only the actual number of full days (or full-day equivalents) of duty or drills completed during a year of military reserve participation, or in other qualifying part-time employment or practice may be cumulated toward years of experience. Qualifying part-time experience performed in addition to other full-time qualifying employment during the same period of time may be cumulated on a full-time equivalent basis and added to the full-time experience to satisfy a total experience requirement.

postgraduate degree - a master's, Ph.D., or other professional degree for which completion of an undergraduate curriculum for receipt of a bachelor's degree was a prerequisite.

related field - a "field of study with a similar curriculum of study but is referenced by a different name".

5252.204-9505 SYSTEM AUTHORIZATION ACCESS REQUEST NAVY (SAAR-N) REQUIREMENTS FOR INFORMATION TECHNOLOGY (IT) (NAVAIR) (JUN 2009)

(a) Contractor personnel assigned to perform work under this contract may require access to Navy Information Technology (IT) resources (e.g., computers, laptops, personal electronic devices/personal digital assistants (PEDs/PDAs),

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 69 of 177	FINAL

NMCI, RDT&E networks, websites such as MyNAVAIR, and Navy Web servers requiring Common Access Card (CAC) Public Key Infrastructure (PKI)). Contractor personnel (prime, subcontractor, consultants, and temporary employees) requiring access to Navy IT resources (including those personnel who previously signed SAAR DD Form 2875) shall submit a completed System Authorization Access Request Navy (SAAR-N), OPNAV 5239/14 (Jul 2008) form or latest version thereof, and have initiated the requisite background investigation (or provide proof of a current background investigation) prior to accessing any Navy IT resources. Instructions for processing the SAAR-N forms are available at: http://www.navair.navy.mil/index.cfm?fuseaction=home.contractor_forms.

(b) SAAR-N forms will be submitted to the Contracting Officer's Representative (COR) or Alternate COR, or to the government sponsor, if the contract does not name a COR or Alternate COR via the contractor's Facility Security Officer (FSO). If the contract does not have an assigned COR or Alternate COR (ACOR), the designated SAAR-N Government Sponsor for contractor employees requiring IT access, **[N/A COR is assigned to this task order]** shall be responsible for signing and processing the SAAR-N forms. For those contractors that do not have a FSO, SAAR-N forms shall be submitted directly to the COR/ACOR or designated SAAR-N Government Sponsor. Copies of the approved SAAR-N forms may be obtained through the COR/ACOR or designated SAAR-N Government Sponsor. Requests for access should be routed through the NAVAIR_SAAR.fct@navy.mil mailbox.

(c) In order to maintain access to Navy IT resources, the contractor shall ensure completion of initial and annual IA training, monitor expiration of requisite background investigations, and initiate re-investigations as required. If requested, the contractor shall provide to the COR/ACOR or designated SAAR-N Government Sponsor documentation sufficient to prove that it is monitoring/tracking the SAAR-N requirements for its employees who are accessing Navy IT resources. For those contractor personnel not in compliance with the requirements of this clause, access to Navy IT resources will be denied/revoked.

(d) The SAAR-N form remains valid throughout contractual performance, inclusive of performance extensions and option exercises where the contract number does not change. Contractor personnel are required to submit a new SAAR-N form only when they begin work on a new or different contract.

SECTION G CONTRACT ADMINISTRATION DATA

Note: In addition to the following, all provisions and clauses of Section G of the basic contract apply to this task order, unless otherwise specified:

Incurred costs for material purchases which are approved by the Government within the contract period of performance (PoP), but delivered and invoiced to the Government after the PoP has ended are permitted to be invoiced in the specific base or option period in which they were ordered.

TYPE OF CONTRACT

This is a cost-plus-fixed-fee level of effort task order.

HQ G-2-0007 INVOICE INSTRUCTIONS (NAVSEA)(JAN 2008)

(a) In accordance with the clause of this contract entitled "ELECTRONIC SUBMISSION OF PAYMENT REQUESTS AND RECEIVING REPORTS" (DFAR 252.232-7003), the Naval Sea Systems Command (NAVSEA) will utilize the DoD Wide Area Workflow Receipt and Acceptance (WAWF) system to accept supplies/services delivered under this contract. This web-based system located at <https://wawf.eb.mil> provides the technology for government contractors and authorized Department of Defense (DoD) personnel to generate, capture and process receipt and payment related documentation in a paperless environment. Invoices for supplies/services rendered under this contract shall be submitted electronically through WAWF. Submission of hard copy DD250/invoices may no longer be accepted for payment.

(b) It is recommended that the person in your company designated as the Central Contractor Registration (CCR) Electronic Business (EB) Point of Contact and anyone responsible for the submission of invoices, use the online training system for WAWF at <http://wawftraining.com>. The Vendor, Group Administrator (GAM), and sections marked with an asterisk in the training system should be reviewed. Vendor Quick Reference Guides also are available at <http://acquisition.navy.mil/navyaos/content/view/full/3521/>. The most useful guides are "Getting Started for Vendors" and WAWF Vendor Guide".

(c) The designated CCR EB point of contact is responsible for activating the company's CAGE code on WAWF by calling 1-866-618-5988. Once the company is activated, the CCR EB point of contact will self-register under the company's CAGE code on WAWF and follow the instructions for a group administrator. After the company is setup on WAWF, any additional persons responsible for submitting invoices must self-register under the company's CAGE code at <https://wawf.eb.mil>.

(d) The contractor shall use the following document types, DODAAC codes and inspection and acceptance locations when submitting invoices in WAWF:

Type of Document (contracting officer check all that apply)

- Invoice (FFP Supply & Service)
- Invoice and Receiving Report Combo (FFP Supply)
- Invoice as 2-in-1 (FFP Service Only)
- Cost Voucher (Cost Reimbursable, T&M, LH, or FPI)
- Receiving Report (FFP, DD 250 Only)

Attachments created in any Microsoft Office product may be attached to the WAWF invoice, e.g., backup documentation, timesheets, etc. Maximum limit for size of each file is 2 megabytes. Maximum limit for size of files per invoice is 5 megabytes.

(e) Before closing out of an invoice session in WAWF, but after submitting the comment(s), you will be prompted to send additional email notifications. Click on "Send More Email Notification" and add the acceptor/receiver email addresses noted below in the first email address block, and add any other additional email addresses desired in the following blocks. This additional notification to the government is important to ensure that the acceptor/receiver is aware that the invoice documents have been submitted into WAWF.

Send Additional Email Notification To: _____

(f) The contractor shall submit invoices/cost vouchers for payment per contract terms and the government shall process invoices/cost vouchers for payment per contract terms. Contractor approved by DCAA for direct billing will submit cost vouchers directly to DFAS via WAWF. Final voucher submission will be approved by the ACO.

(g) The WAWF system has not yet been implemented on some Navy programs; therefore, upon written concurrence from the cognizant Procuring Contracting Officer, the Contractor is authorized to use DFAS's WInS for electronic end to end invoicing until the functionality of WInS has been incorporated into WAWF.

(h) If you have any questions regarding WAWF, please contact the WAWF helpdesk at the above 1-866 number or the WAWF point of contact Elaine Stone, 301-995-8341, mary.e.stone@navy.mil

PGI 204.7108(d)(12) Other:

Payment needs to be based on projects not funding and/or ACRNs. Tracking by funding and/or ACRN only, the customer loses the visibility to the project which is needed. Due to multiple sponsors, PGI clauses 252.204-0001 thru 0011 cannot be applied, therefore use 0012 and pay from the CLIN/ACRN cited on the invoice. The contractor is advised on what CLINs/ACRNs to cite on the invoice.

SEA 5252.216-9122 LEVEL OF EFFORT (DEC 2000)

(a) The Contractor agrees to provide the total level of effort specified in the next sentence in performance of the work described in Sections B and C of this contract. The total level of effort for the performance of this contract shall be:

Base Year -24,415.49

Option Year I - 65,298.05

Option Year II - 40,667.75

Option Year III - 41,677.35

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 77 of 177	FINAL
----------------------------------	---	----------------------------------	-------------------	-------

Option Year IV - 79,643.13

Option Year V - LOE Extension 1 -311,994.76

Option Year VI - LOE Extension 2 - 311,994.76

Option Year VII - LOE Extension 3 - 474,308.35

Total = 1,350,000

man-hours of direct labor, including subcontractor direct labor for those subcontractors specifically identified in the Contractor's proposal as having hours included in the proposed level of effort.

(b) Of the total man-hours of direct labor set forth above, it is estimated [REDACTED] man-hours are uncompensated effort. Uncompensated effort is defined as hours provided by personnel in excess of 40 hours per week without additional compensation for such excess work. All other effort is defined as compensated effort. If no effort is indicated in the first sentence of this paragraph, uncompensated effort performed by the Contractor shall not be counted in fulfillment of the level of effort obligations under this contract.

(c) Effort performed in fulfilling the total level of effort obligations specified above shall only include effort performed in direct support of this contract and shall not include time and effort expended on such things as (local travel to and from an employee's usual work location), uncompensated effort while on travel status, truncated lunch periods, work (actual or inferred) at an employee's residence or other non-work locations, or other time and effort which does not have a specific and direct contribution to the tasks described in Sections B and C.

(d) The level of effort for this contract shall be expended at an average rate of approximately (5,170) hours per week. It is understood and agreed that the rate of man-hours per month may fluctuate in pursuit of the technical objective, provided such fluctuation does not result in the use of the total man-hours of effort prior to the expiration of the term hereof, except as provided in the following paragraph.

(e) If, during the term hereof, the Contractor finds it necessary to accelerate the expenditure of direct labor to such an extent that the total man-hours of effort specified above would be used prior to the expiration of the term, the Contractor shall notify the Task Order Contracting Officer in writing setting forth the acceleration required, the probable benefits which would result, and an offer to undertake the acceleration at no increase in the estimated cost or fee together with an offer, setting forth a proposed level of effort, cost breakdown, and proposed fee, for continuation of the work until expiration of the term hereof. The offer shall provide that the work proposed will be subject to the terms and conditions of this contract and any additions or changes required by then current law, regulations, or directives, and that the offer, with a written notice of acceptance by the Task Order Contracting Officer, shall constitute a binding contract. The Contractor shall not accelerate any effort until receipt of such written approval by the Task Order Contracting Officer. Any agreement to accelerate will be formalized by contract modification.

(f) The Task Order Contracting Officer may, by written order, direct the Contractor to accelerate the expenditure of direct labor such that the total man-hours of effort specified in paragraph (a) above would be used prior to the expiration of the term. This order shall specify the acceleration required and the resulting revised term. The Contractor shall acknowledge this order within five days of receipt.

(g) If the total level of effort specified in paragraph (a) above is not provided by the Contractor during the period of this contract, the Task Order Contracting Officer, at its sole discretion, shall either (i) reduce the fee of this contract as follows:

$$\text{Fee Reduction} = \text{Fee} \frac{(\text{Required LOE} - \text{Expended LOE})}{\text{Required LOE}}$$

or (ii) subject to the provisions of the clause of this contract entitled "LIMITATION OF COST" (FAR 52.232-20) or "LIMITATION OF COST (FACILITIES)" (FAR 52.232-21), as applicable, require the Contractor to continue to perform the work until the total number of man-hours of direct labor specified in paragraph (a) above shall have been expended, at no increase in the fee of this contract.

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 78 of 177	FINAL
----------------------------------	---	----------------------------------	-------------------	-------

(h) The Contractor shall provide and maintain an accounting system, acceptable to the Administrative Contracting Officer and the Defense Contract Audit Agency (DCAA), which collects costs incurred and effort (compensated and uncompensated, if any) provided in fulfillment of the level of effort obligations of this contract. The Contractor shall indicate on each invoice the total level of effort claimed during the period covered by the invoice, separately identifying compensated effort and uncompensated effort, if any.

(i) Within 45 days after completion of the work under each separately identified period of performance hereunder, the Contractor shall submit the following information in writing to the Task Order Contracting Officer with copies to the cognizant Contract Administration Office and to the DCAA office to which vouchers are submitted: (1) the total number of man-hours of direct labor expended during the applicable period; (2) a breakdown of this total showing the number of man-hours expended in each direct labor classification and associated direct and indirect costs; (3) a breakdown of other costs incurred; and (4) the Contractor's estimate of the total allowable cost incurred under the contract for the period. Within 45 days after completion of the work under the contract, the Contractor shall submit, in addition, in the case of a cost underrun; (5) the amount by which the estimated cost of this contract may be reduced to recover excess funds and, in the case of an underrun in hours specified as the total level of effort; and (6) a calculation of the appropriate fee reduction in accordance with this clause. All submissions shall include subcontractor information.

(j) Unless the Contracting Officer determines that alternative worksite arrangements are detrimental to contract performance, the Contractor may perform up to 10% of the hours at an alternative worksite, provided the Contractor has a company-approved alternative worksite plan. The primary worksite is the traditional "main office" worksite. An alternative worksite means an employee's residence or a telecommuting center. A telecommuting center is a geographically convenient office setting as an alternative to an employee's main office. The Government reserves the right to review the Contractor's alternative worksite plan. In the event performance becomes unacceptable, the Contractor will be prohibited from counting the hours performed at the alternative worksite in fulfilling the total level of effort obligations of the contract. Regardless of the work location, all contract terms and conditions, including security requirements and labor laws, remain in effect. The Government shall not incur any additional cost nor provide additional equipment for contract performance as a result of the Contractor's election to implement an alternative worksite plan. *

(k) Notwithstanding any of the provisions in the above paragraphs, the Contractor may furnish man-hours up to five percent in excess of the total man-hours specified in paragraph (a) above, provided that the additional effort is furnished within the term hereof, and provided further that no increase in the estimated cost or fee is required.

* The Contracting Officer referred to, in paragraph (j), is the Task Order Contracting Officer.

5252.201-9501 DESIGNATION OF CONTRACTING OFFICER'S REPRESENTATIVE (COR) (NAVAIR) (OCT1994)

(a) The Contracting Officer has designated Doug Hosea as the authorized Contracting Officer's Representative (COR) for this contract. The Alternate COR (ACOR) is Bill Stack.

(b) The duties of the COR/ACOR are limited to the duties assigned in the COR designation letter, Attachment 006 of this Task Order.

HQ B-2-0015 PAYMENTS OF FEE(S) (LEVEL OF EFFORT)(NAVSEA)(MAY 1993)

(a) For purposes of this contract, "fee" means "target fee" in cost-plus-incentive fee type contracts., "base fee" in cost-plus-award-fee type contracts, "fixed-fee" in cost-plus-fixed-fee type contracts for level of effort type contracts.

(b) The Government shall make payments to the Contractor, subject to and in accordance with the clause in this contract entitled "FIXED FEE" (FAR 52.216-8) or "INCENTIVE FEE" (FAR 52.216-10), as applicable. Such payments shall be equal to [REDACTED] or the Base Year, [REDACTED] for Option Year 1, [REDACTED] for Option Year 2, [REDACTED] for Option Year 3, and [REDACTED] for Option Year 4, [REDACTED] Option Year V - LOE Extension 1, [REDACTED] Option Year VI - LOE Extension 2, [REDACTED] Option Year VII - LOE Extension 3, of the allowable cost of each invoice submitted by and payable to the Contractor pursuant to the clause of this contract entitled "ALLOWABLE COST AND PAYMENT" (FAR 52.216-7), subject to the withholding terms and conditions of the "FIXED FEE" or "INCENTIVE FEE" clause, as applicable (percentage of fee is

based on fee dollars divided by estimated cost dollars, including facilities capital cost of money). Total fee(s) paid to the Contractor shall not exceed the fee amount(s) set forth in this contract.

(c) The fee(s) specified in SECTION B, and payment thereof, is subject to adjustment pursuant to paragraph (g) of the special contract requirement entitled "LEVEL OF EFFORT." If the fee(s) is reduced and the reduced fee(s) is less than the sum of all fee payments made to the Contractor under this contract, the Contractor shall repay the excess amount to the Government. If the final adjusted fee exceeds all payments made to the Contractor under this contract, the Contractor shall be paid the additional amount, subject to the availability of funds. In no event shall the Government be required to pay the Contractor any amount in excess of the funds obligated under this contract at the time of the discontinuance of work.

(d) Fee(s) withheld pursuant to the terms and conditions of this contract shall not be paid until the contract has been modified to reduce the fee(s) in accordance with the "LEVEL OF EFFORT" special contract requirement, or until the Procuring Contracting Officer has advised the paying office in writing that no fee adjustment is required.

5252.242-9511 CONTRACT ADMINISTRATION DATA (NAVAIR)(MAR 2008)

(a) Contract Administration Office.

(1) Contract administration functions (see FAR 42.302 and DFARS 242.302) are assigned to:

See the ADMINISTERED BY Block on the face page of the contract or modification.

(2) Contract administration functions withheld, additional contract administration functions assigned, or special instructions (see FAR 42.202) are: [TBD] or as delineated by Procuring Contracting Officer (PCO) correspondence.

SECTION H SPECIAL CONTRACT REQUIREMENTS

Note: In addition to the following, all provisions and clauses of Section H of the basic contract apply to this task order, unless otherwise specified:

SUBCONTRACTING. The moderate use of subcontractors is permissible and encouraged provided the subcontractors' facilities, services, and personnel strengthen and support those offered by the contractor, and satisfactory management controls and subcontract agreements are evident. The extensive use of subcontractors to meet contract requirements is not considered in the Government's best interest.

DEOBLIGATION OF UNEXPENDED AND EXCESS DOLLAR BALANCES

Only the PCO or their designated Government contracting representatives have the authority to execute contract modifications for deobligation of unexpended dollar balances, considered excess to known contract requirements.

H-1 RESTRICTION ON THE DIRECT CHARGING OF MATERIAL

(a) During the performance of this task order it may be necessary for the contractor to procure material to immediately respond to system development requirements, system failures, and system operation requirements. This is a service contract and the procurement of material of any kind that are not incidental to and necessary for contract performance may be determined to be unallowable costs pursuant to FAR Part 31. The term "material" includes supplies, materials, parts, equipment, hardware, and Information Technology (IT) resources including equipment, services and software. Any material provided by the contractor is subject to the requirements of the Federal Acquisition Regulation (FAR), the Defense Federal Acquisition Regulation Supplement (DFARS), and the applicable Department of Navy regulations and instructions.

The costs of general purpose business expenses required for the conduct of the contractor's normal business operations will not be considered an allowable direct cost in the performance of the contract. General purpose business expenses include, but are not limited to, the cost for items such as telephones and telephone charges, reproduction machines, word processing equipment, personal computers and other office equipment and office supplies.

Only material included in the below List of Allowable Material may be procured under this task order. No material with a unit cost of \$250,000.00 or greater shall be procured under this task order. No procurement from a single source with a total value, that is the total sum of all items, of \$700,000.00 or greater may be procured under this task order.

(b) List of Allowable Materials:

Electronic Components and Materials:

Adapters, Amplifiers, Antennas, Backshells, Batteries, Bridge, Cables, Cable Assemblies, Capacitors, Circuit Boards, Circuit Breakers, Charging Devices, Chemicals, Chips, Cleaners, Color Monitors, Communications Special Enclosure, Connectors, Connector Accessories, Converters, Crystals, Data Controllers, Data Storage Devices, Diodes, Diplexers, Eliminators, Encoders, Facsimiles, Fuses, Hubs, IC Circuits, Inductors, Inserts, Lamps/Bulbs, Laptop Personal Computers, Microphones, Modems, Modules, Multiplexers, Patch Cords, Personal Computers, Power Supplies, Printers, Relays, Repair Materials, Resistors, RF Adapters, Routers, Scanners, Semi-Conductor Devices, Servers, Special Vehicle Prototypes, Splices, Switches, Telephones, Terminals, Transistors, Transformers, Wires and Work Stations.

Vehicle Fabrication/ Integration Material:

Chassis, Chassis Components, Drive Trains, Power Systems, Environmental Conditioning Units, Vehicles Bodies, Vehicle Engines, Antennas and Automotive/Vehicular Accessories, A/C Generator Sets and 12vDC Inverters.

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 162 of 177	FINAL
----------------------------------	---	----------------------------------	--------------------	-------

Hardware:

Bolts, Boxes, Brackets, Braces, Brads, C-E Cases, Conduits, Electrical Boxes, End Fittings, Face Plates, Fiberglass, Foam Inserts, Handles, Heat Shrink, Hinges, Interior/Exterior Mounts, Intermediate Distribution Frames, Main Distribution Frames, Metal (Various Gauge), Nuts, Plastics, Racks, Rack Assembly, Rivets, Rivnuts, Screws, Slides, Washer, Wood.

Miscellaneous Material:

Binders, Data Storage Medium, De-Greaser, Deliverable/Documentation Consumables, Dividers, Electronic Component Cleansing Materials, Electronic Repair Services, Mylar, Paint, Security Enclosures/Safes, Shipping/Freight Supplies/Services, Solder, Vu-graph Supplies, Specialty Clothing, and other material costs in accordance with the solicitation.

(c) In addition to COR and/or Contracting Officer approvals listed below, IT resources may not be procured unless the approvals required by Department of Defense purchasing procedures have been obtained. IT resources are defined as any equipment and or interconnected system and/or subsystem of equipment used in the automatic acquisition, storage, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of data information. IT resources include personal computers, laptops, printers, software, servers, hubs, routers, phones, facsimile machines and any related maintenance, telecommunications, training, or other support services.

To obtain IT approval the contractor shall prepare an IT Certification Letter (Appendix 4 – Non-Navy IT Compliance Certification Form) with a complete list of items to be obtained. The IT Certification Letter shall be provided to the Division designated IT point of contact for approval through the NAVAIR Chief Information Officer process. The IT approval shall be provided to the COR prior to procurement.

(d) Prior written approval from the COR and/or Contracting Officer shall be required for all purchases of material (IT resources or non-IT resources) as listed below. Requests for approval shall include a list of the material to be procured, an explanation of the need for the material, IT approval (if applicable), a listing of quotes received, the reason for the **selected** source, and the determination of price reasonableness. If the procurement is sole sourced to a particular supplier or piece of equipment include the rationale for limiting the procurement to that supplier or piece of equipment.

For a procurement from a single source with a total value, that is total sum of all items, \$3,000.00 and below no COR or Contracting Officer approval is required.

For a procurement from a single source with a total value between \$3,000.01 and \$150,000.00 COR approval is required. For a procurement from a single source with a total value greater than \$150,000.00 COR and Contracting Officer approval is required. If the COR approves the request, the COR shall provide the request for approval to the Contracting Officer. The Contracting Officer shall provide notification of disapproval or approval to the COR and Contractor.

H-2 INVITED CONTRACTOR OR TECHNICAL REPRESENTATIVE STATUS UNDER U.S. - REPUBLIC OF KOREA (ROK)(USFK)

Invited Contractor (IC) and Technical Representative (TR) status shall be governed by the U.S.- ROK Status of Forces Agreement (SOFA) as implemented by United States Forces Korea (USFK) Reg 700-19, which can be found under the “publications” tab on the US Forces Korea homepage <http://www.usfk.mil>

(a) Definitions. As used in this clause—

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 163 of 177	FINAL
----------------------------------	---	----------------------------------	--------------------	-------

“U.S. – ROK Status of Forces Agreement” (SOFA) means the Mutual Defense Treaty between the Republic of Korea and the U.S. of America, Regarding Facilities and Areas and the Status of U.S. Armed Forces in the Republic of Korea, as amended

“Combatant Commander” means the commander of a unified or specified combatant command established in accordance with 10 U.S.C. 161. In Korea, the Combatant Commander is the Commander, United States Pacific Command.

“United States Forces Korea” (USFK) means the subordinate unified command through which US forces would be sent to the Combined Forces Command fighting components.

“Commander, United States Forces Korea” (COMUSK) means the commander of all U.S. forces present in Korea. In the Republic of Korea, COMUSK also serves as Commander, Combined Forces Command (CDR CFC) and Commander, United Nations Command (CDR UNC).

“USFK, Assistant Chief of Staff, Acquisition Management” (USFK/FKAQ) means the principal staff office to USFK for all acquisition matters and administrator of the U.S.-ROK SOFA as applied to US and Third Country contractors under the Invited Contractor (IC) and Technical Representative (TR) Program (USFK Reg 700-19).

“Responsible Officer (RO)” means a senior DOD employee (such as a military E5 and above or civilian GS-7 and above), appointed by the USFK Sponsoring Agency (SA), who is directly responsible for determining and administering appropriate logistics support for IC/TRs during contract performance in the ROK.

(b) IC or TR status under the SOFA is subject to the written approval of USFK, Assistant Chief of Staff, Acquisition Management (FKAQ), Unit #15237, APO AP 96205-5237.

(c) The contracting officer will coordinate with HQ USFK/FKAQ, IAW FAR 25.8, and USFK Reg 700-19. FKAQ will determine the appropriate contractor status under the SOFA and notify the contracting officer of that determination.

(d) Subject to the above determination, the contractor, including its employees and lawful dependents, may be accorded such privileges and exemptions under conditions and limitations as specified in the SOFA and USFK Reg 700-19. These privileges and exemptions may be furnished during the performance period of the contract, subject to their availability and continued SOFA status. Logistics support privileges are provided on an as-available basis to properly authorized individuals. Some logistics support may be issued as Government Furnished Property or transferred on a reimbursable basis.

(e) The contractor warrants and shall ensure that collectively, and individually, its officials and employees performing under this contract will not perform any contract, service, or other business activity in the ROK, except under U.S. Government contracts and that performance is IAW the SOFA.

(f) The contractor’s direct employment of any Korean-National labor for performance of this contract shall be governed by ROK labor law and USFK regulation(s) pertaining to the direct employment and personnel administration of Korean National personnel.

(g) The authorities of the ROK have the right to exercise jurisdiction over invited contractors and technical representatives, including contractor officials, employees and their dependents, for offenses committed in the ROK and punishable by the laws of the ROK. In recognition of the role of such persons in the defense of the ROK, they will be subject to the provisions of Article XXII, SOFA, related Agreed Minutes and Understandings. In those cases in which the authorities of the ROK decide not to exercise jurisdiction, they shall notify the U.S. military authorities as soon as possible. Upon such notification, the military authorities will have the right to exercise jurisdiction as is conferred by the laws of the U.S.

(h) Invited contractors and technical representatives agree to cooperate fully with the USFK Sponsoring Agency (SA) and Responsible Officer (RO) on all matters pertaining to logistics support and theater training requirements. Contractors will provide the assigned SA prompt and accurate reports of changes in employee

status as required by USFK Reg 700-19.

(i) Theater Specific Training. Training Requirements for IC/TR personnel shall be conducted in accordance with USFK Reg 350-2 Theater Specific Required Training for all Arriving Personnel and Units Assigned to, Rotating to, or in Temporary Duty Status to USFK. IC/TR personnel shall comply with requirements of USFK Reg 350-2.

(j) Except for contractor air crews flying Air Mobility Command missions, all U.S. contractors performing work on USAF classified contracts will report to the nearest Security Forces Information Security Section for the geographical area where the contract is to be performed to receive information concerning local security requirements.

(k) Invited Contractor and Technical Representative status may be withdrawn by USFK/FKAQ upon:

(1) Completion or termination of the contract.

(2) Determination that the contractor or its employees are engaged in business activities in the ROK other than those pertaining to U.S. armed forces.

(3) Determination that the contractor or its employees are engaged in practices in contravention to Korean law or USFK regulations.

(l) It is agreed that the withdrawal of invited contractor or technical representative status, or the withdrawal of, or failure to provide any of the privileges associated therewith by the U.S. and USFK, shall not constitute grounds for excusable delay by the contractor in the performance of the contract and will not justify or excuse the contractor defaulting in the performance of this contract. Furthermore, it is agreed that withdrawal of SOFA status for reasons outlined in USFK Reg 700-19, Chapters 2-6 shall not serve as a basis for the contractor filing any claims against the U.S. or USFK. Under no circumstance shall the withdrawal of SOFA Status or privileges be considered or construed as a breach of contract by the U.S. Government.

(m) Support.

(1) Unless the terms and conditions of this contract place the responsibility with another party, the COMUSK will develop a security plan to provide protection, through military means, of Contractor personnel engaged in the theater of operations when sufficient or legitimate civilian authority does not exist.

(2)(i) All Contractor personnel engaged in the theater of operations are authorized resuscitative care, stabilization, hospitalization at level III military treatment facilities, and assistance with patient movement in emergencies where loss of life, limb, or eyesight could occur. Hospitalization will be limited to stabilization and short-term medical treatment with an emphasis on return to duty or placement in the patient movement system.

(ii) When the Government provides medical or emergency dental treatment or transportation of Contractor personnel to a selected civilian facility, the Contractor shall ensure that the Government is reimbursed for any costs associated with such treatment or transportation.

(iii) Medical or dental care beyond this standard is not authorized unless specified elsewhere in this contract.

(3) Unless specified elsewhere in this contract, the Contractor is responsible for all other support required for its personnel engaged in the theater of operations under this contract.

(n) Compliance with laws and regulations. The Contractor shall comply with, and shall ensure that its personnel supporting U.S Armed Forces in the Republic of Korea as specified in paragraph (b)(1) of this clause are familiar with and comply with, all applicable—

(1) United States, host country, and third country national laws;

(2) Treaties and international agreements;

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 165 of 177	FINAL
----------------------------------	---	----------------------------------	--------------------	-------

(3) United States regulations, directives, instructions, policies, and procedures; and

(4) Orders, directives, and instructions issued by the COMUSK relating to force protection, security, health, safety, or relations and interaction with local nationals. Included in this list are force protection advisories, health advisories, area (i.e. "off-limits"), prostitution and human trafficking and curfew restrictions.

(o) Vehicle or equipment licenses. IAW USFK Regulation 190-1, Contractor personnel shall possess the required licenses to operate all vehicles or equipment necessary to perform the contract in the theater of operations. All contractor employees/dependents must have either a Korean driver's license or a valid international driver's license to legally drive on Korean roads.

(p) Evacuation.

(1) If the COMUSK orders a non-mandatory or mandatory evacuation of some or all personnel, the Government will provide assistance, to the extent available, to United States and third country national contractor personnel.

(2) Non-combatant Evacuation Operations (NEO).

(i) The contractor shall designate a representative to provide contractor personnel and dependents information to the servicing NEO warden as required by direction of the Responsible Officer.

(ii) If contract period of performance in the Republic of Korea is greater than six months, non emergency essential contractor personnel and all IC/TR dependents shall participate in at least one USFK sponsored NEO exercise per year.

(q) Next of kin notification and personnel recovery.

(1) The Contractor shall be responsible for notification of the employee-designated next of kin in the event an employee dies, requires evacuation due to an injury, or is missing, captured, or abducted.

(2) In the case of missing, captured, or abducted contractor personnel, the Government will assist in personnel recovery actions in accordance with DOD Directive 2310.2, Personnel Recovery.

(3) IC/TR personnel shall accomplish Personnel Recovery/Survival, Evasion, Resistance and Escape (PR/SERE) training in accordance with USFK Reg 525-40, Personnel Recovery Procedures and USFK Reg 350-2 Theater Specific Required Training for all Arriving Personnel and Units Assigned to, Rotating to, or in Temporary Duty Status to USFK.

(r) Mortuary affairs. Mortuary affairs for contractor personnel who die while providing support in the theater of operations to U.S. Armed Forces will be handled in accordance with DOD Directive 1300.22, Mortuary Affairs Policy and Army Regulation 638-2, Care and Disposition of Remains and Disposition of Personal Effects.

(s) USFK Responsible Officer (RO). The USFK appointed RO will ensure all IC/TR personnel complete all applicable training as outlined in this clause.

(End of Clause)

FAR 52.222-2

PAYMENT FOR OVERTIME PREMIUMS (JUL 1990)

(a) The use of overtime is authorized under this contract if the overtime premium does not exceed **0.00** or the overtime premium is paid for work—

(1) Necessary to cope with emergencies such as those resulting from accidents, natural disasters, breakdowns of production equipment, or occasional production bottlenecks of a sporadic nature;

(2) By indirect-labor employees such as those performing duties in connection with administration, protection, transportation, maintenance, standby plant protection, operation of utilities, or accounting;

(3) To perform tests, industrial processes, laboratory procedures, loading or unloading of transportation conveyances, and operations in flight or afloat that are continuous in nature and cannot reasonably be interrupted or completed otherwise; or

(4) That will result in lower overall costs to the Government.

(b) Any request for estimated overtime premiums that exceeds the amount specified above shall include all estimated overtime for contract completion and shall—

(1) Identify the work unit; *e.g.*, department or section in which the requested overtime will be used, together with present workload, staffing, and other data of the affected unit sufficient to permit the Contracting Officer to evaluate the necessity for the overtime;

(2) Demonstrate the effect that denial of the request will have on the contract delivery or performance schedule;

(3) Identify the extent to which approval of overtime would affect the performance or payments in connection with other Government contracts, together with identification of each affected contract; and

(4) Provide reasons why the required work cannot be performed by using multishift operations or by employing additional personnel. The use of overtime is authorized under this contract if prior COR approval is obtained and the overtime premium cost does not exceed \$0.00. In addition to this dollar ceiling, overtime is permitted only for these situations.

5252.209-9510 ORGANIZATIONAL CONFLICTS OF INTEREST (NAVAIR) (SERVICES)(MAR 2007)

(a) Purpose. This clause seeks to ensure that the contractor (1) does not obtain an unfair competitive advantage over other parties by virtue of its performance of this contract, and (2) is not biased because of its current or planned interests (financial, contractual, organizational or otherwise) that relate to the work under this contract.

(b) Scope. The restrictions described herein shall apply to performance or participation by the contractor (as defined in paragraph (d)(7)) in the activities covered by this clause.

(1) The restrictions set forth in paragraph (e) apply to supplies, services, and other performance rendered with respect to the suppliers and/or equipment listed in Attachment TBD at time of task order award. Task orders issued under the contract will specify to which suppliers and/or equipment subparagraph (f) restrictions apply.

(2) The financial, contractual, organizational and other interests of contractor personnel performing work under this contract shall be deemed to be the interests of the contractor for the purposes of determining the existence of an Organizational Conflict of Interest. Any subcontractor that performs any work relative to this contract shall be subject to this clause. The contractor agrees to place in each subcontract affected by these provisions the necessary language contained in this clause.

(c) Waiver. Any request for waiver of the provisions of this clause shall be submitted in writing to the Procuring Contracting Officer. The request for waiver shall set forth all relevant factors including proposed contractual safeguards or job procedures to mitigate conflicting roles that might produce an Organizational Conflict of Interest. No waiver shall be granted by the Government with respect to prohibitions pursuant to access to proprietary data.

(d) Definitions. For purposes of application of this clause only, the following definitions are applicable:

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 167 of 177	FINAL
----------------------------------	---	----------------------------------	--------------------	-------

- (1) "System" includes system, major component, subassembly or subsystem, project, or item.
- (2) "Nondevelopmental items" as defined in FAR 2.101.
- (3) "Systems Engineering" (SE) includes, but is not limited to, the activities in FAR 9.505-1(b).
- (4) "Technical direction" (TD) includes, but is not limited to, the activities in FAR 9.505-1(b).
- (5) "Advisory and Assistance Services" (AAS) as defined in FAR 2.101.
- (6) "Consultant services" as defined in FAR 31.205-33(a).
- (7) "Contractor", for the purposes of this clause, means the firm signing this contract, its subsidiaries and affiliates, joint ventures involving the firm, any entity with which the firm may hereafter merge or affiliate, and any other successor or assignee of the firm.
- (8) "Affiliates," means officers or employees of the prime contractor and first tier subcontractors involved in the program and technical decision-making process concerning this contract.
- (9) "Interest" means organizational or financial interest.
- (10) "Weapons system supplier" means any prime contractor or first tier subcontractor engaged in, or having a known prospective interest in the development, production or analysis of any of the weapon systems, as well as any major component or subassembly of such system.

(e) Contracting restrictions.

(1) To the extent the contractor provides systems engineering and/or technical direction for a system or commodity but does not have overall contractual responsibility for the development, the integration, assembly and checkout (IAC) or the production of the system, the contractor shall not (i) be awarded a contract to supply the system or any of its major components or (ii) be a subcontractor or consultant to a supplier of the system or of its major components. The contractor agrees that it will not supply to the Department of Defense (either as a prime contractor or as a subcontractor) or act as consultant to a supplier of, any system, subsystem, or major component utilized for or in connection with any item or other matter that is (directly or indirectly) the subject of the systems engineering and/or technical direction or other services performed under this contract for a period of **3 years** after the date of completion of the contract. (FAR 9.505-1(a))

(2) To the extent the contractor prepares and furnishes complete specifications covering nondevelopmental items to be used in a competitive acquisition, the contractor shall not be allowed to furnish these items either as a prime contractor or subcontractor. This rule applies to the initial production contract, for such items plus a specified time period or event. The contractor agrees to prepare complete specifications covering non-developmental items to be used in competitive acquisitions, and the contractor agrees not to be a supplier to the Department of Defense, subcontract supplier, or a consultant to a supplier of any system or subsystem for which complete specifications were prepared hereunder. The prohibition relative to being a supplier, a subcontract supplier, or a consultant to a supplier of these systems of their subsystems extends for a period of **3 years** after the terms of this contract. (FAR 9.505-2(a)(1))

(3) To the extent the contractor prepares or assists in preparing a statement of work to be used in competitively acquiring a system or services or provides material leading directly, predictably and without delay to such a work statement, the contractor may not supply the system, major components thereof or the services unless the contractor is the sole source, or a participant in the design or development work, or more than one contractor has been involved in preparation of the work statement. The contractor agrees to prepare, support the preparation of or provide material leading directly, predictably and without delay to a work statement to be used in competitive acquisitions, and the contractor agrees not to be a supplier or consultant to a supplier of any services, systems or subsystems for which the contractor participated in preparing the work statement. The prohibition relative to being a supplier, a subcontract supplier, or a consultant to a supplier of any services, systems or subsystems extends for a period of **3 years** after the terms of this contract. (FAR 9.505-2(b)(1))

(4) To the extent work to be performed under this contract requires evaluation of offers for products or services, a contract will not be awarded to a contractor that will evaluate its own offers for products or services, or those of a competitor, without proper safeguards to ensure objectivity to protect the Government's interests. Contractor agrees to the terms and conditions set forth in the Statement of Work that are established to ensure objectivity to protect the Government's interests. (FAR 9.505-3)

(5) To the extent work to be performed under this contract requires access to proprietary data of other companies, the contractor must enter into agreements with such other companies which set forth procedures deemed adequate by those companies (i) to protect such data from unauthorized use or disclosure so long as it

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 168 of 177	FINAL

remains proprietary and (ii) to refrain from using the information for any other purpose other than that for which it was furnished. Evidence of such agreement(s) must be made available to the Procuring Contracting Officer upon request. The contractor shall restrict access to proprietary information to the minimum number of employees necessary for performance of this contract. Further, the contractor agrees that it will not utilize proprietary data obtained from such other companies in preparing proposals (solicited or unsolicited) to perform additional services or studies for the United States Government. The contractor agrees to execute agreements with companies furnishing proprietary data in connection with work performed under this contract, obligating the contractor to protect such data from unauthorized use or disclosure so long as such data remains proprietary, and to furnish copies of such agreement to the Contracting Officer. Contractor further agrees that such proprietary data shall not be used in performing for the Department of Defense additional work in the same field as work performed under this contract if such additional work is procured competitively. (FAR 9.505)

(6) Preparation of Statements of Work or Specifications. If the contractor under this contract assists substantially in the preparation of a statement of work or specifications, the contractor shall be ineligible to perform or participate in any capacity in any contractual effort (solicited or unsolicited) that is based on such statement of work or specifications. The contractor shall not incorporate its products or services in such statement of work or specifications unless so directed in writing by the Contracting Officer, in which case the restrictions in this subparagraph shall not apply. Contractor agrees that it will not supply to the Department of Defense (either as a prime contractor or as a subcontractor) or act as consultant to a supplier of, any system, subsystem or major component utilized for or in connection with any item or work statement prepared or other services performed or materials delivered under this contract, and is procured on a competitive basis, by the Department of Defense with **3 years** after completion of work under this contract. The provisions of this clause shall not apply to any system, subsystem, or major component for which the contractor is the sole source of supply or which it participated in designing or developing. (FAR 9.505-4(b))

(7) Advisory and Assistance Services (AAS). If the contractor provides AAS services as defined in paragraph (d) of this clause, it shall be ineligible thereafter to participate in any capacity in Government contractual efforts (solicited or unsolicited) which stem directly from such work, and the contractor agrees not to perform similar work for prospective offerors with respect to any such contractual efforts. Furthermore, unless so directed in writing by the Contracting Officer, the contractor shall not perform any such work under this contract on any of its products or services, or the products or services of another firm for which the contractor performs similar work. Nothing in this subparagraph shall preclude the contractor from competing for follow-on contracts for AAS.

(f) Remedies. In the event the contractor fails to comply with the provisions of this clause, such noncompliance shall be deemed a material breach of the provisions of this contract. If such noncompliance is the result of conflicting financial interest involving contractor personnel performing work under this contract, the Government may require the contractor to remove such personnel from performance of work under this contract. Further, the Government may elect to exercise its right to terminate for default in the event of such noncompliance. Nothing herein shall prevent the Government from electing any other appropriate remedies afforded by other provisions of this contract, or statute or regulation.

(g) Disclosure of Potential Conflicts of Interest. The contractor recognizes that during the term of this contract, conditions may change which may give rise to the appearance of a new conflict of interest. In such an event, the contractor shall disclose to the Government information concerning the new conflict of interest. The contractor shall provide, as a minimum, the following information:

- (1) a description of the new conflict of interest (e.g., additional weapons systems supplier(s), corporate restructuring, new first-tier subcontractor(s), new contract) and identity of parties involved;
- (2) a description of the work to be performed;
- (3) the dollar amount;
- (4) the period of performance; and
- (5) a description of the contractor's internal controls and planned actions, to avoid any potential organizational conflict of interest.

5252.211-9502 GOVERNMENT INSTALLATION WORK SCHEDULE (NAVAIR) (OCT 2005)

(a) The Holidays applicable to this contract are: New Year's Day, Martin Luther King's Birthday, President's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day, and Christmas Day.

(b) In the event that the contractor is prevented from performance as the result of an Executive Order or an administrative leave determination that applies to the using activity, such time may be charged to the contract as a direct cost provided such charges are consistent with the contractor's accounting practices. In the event that any of the above holidays occur on a Saturday or Sunday, then such holiday shall be observed as they are by the assigned Government employees at the using activity.

5252.222-9500 SERVICE CONTRACT ACT (SCA) MINIMUM WAGES AND FRING BENEFITS (NAVAIR)(OCT 1994)

A Service Contract Act (SCA) wage determination has been requested from the U.S. Department of Labor. Until receipt of a wage determination, Attachment [005] (wage determination in the existing contract) will be applicable to this contract. If a new wage determination is received prior to contract award, it will be incorporated by amendment to this solicitation.

5252.232-9509 TRAVEL APPROVAL AND REIMBURSEMENT PROCEDURES (NAVAIR)(OCT 2013)

(a) General. Performance under this contract may require travel by Contractor personnel. If travel, domestic or overseas, is required, the Contractor is responsible for making all necessary arrangements for its personnel. These include but are not limited to: medical examinations, immunizations, passports/visas/etc., and security clearances.

(b) Travel Approval Process. Prior approval is required for all travel under this contract. Travel shall be reviewed and approved/disapproved as follows:

(1) The Contractor shall provide the Contracting Officer's Representative (COR) a written request for authorization to travel at least 30 days in advance of the required travel date, when possible. The request should include: purpose of travel, location, travel dates, number of individuals traveling, and all estimated costs associated with the travel (e.g., lodging, meals, transportation costs, incidental expenses, etc.).

(2) The COR will review the travel request and provide, in writing, an approval or disapproval of the travel request to the Contractor and the Procuring Contracting Officer.

(c) Travel Policy.

(1) Travel arrangements shall be planned in accordance with the Federal Travel regulations, prescribed by the General Services Administration for travel in the conterminous 48 United States, (hereinafter the FTR) and the Joint Travel Regulation, Volume 2, DoD Civilian Personnel, Appendix A, prescribed by the Department of Defense (hereinafter the JTR).

(2) The Government will reimburse the Contractor for allowable travel costs incurred by the Contractor in

CONTRACT NO. N00178-04-D-4080	DELIVERY ORDER NO. N00178-04-D-4080-4Y01	AMENDMENT/MODIFICATION NO. BB	PAGE 170 of 177	FINAL

performance of the contract in accordance with FAR Subpart 31.2.

(3) For purposes of reimbursement of travel expenses, the Contractor's official station is defined as within 50 miles of the Contractor's regular work site. (If Contractor has more than one regular work site, the official station is defined as within 50 miles of each of its regular work sites.)

(4) The Contractor's documentation for the reimbursement of travel costs (e.g., receipts) shall be governed as set forth in FAR Subpart 31.2, the FTR, and the JTR.

(5) Car Rental for a team on temporary duty (TDY) at one site will be allowed provided that only one car is rented for every four (4) members of the TDY team. In the event that less than four (4) persons comprise the TDY team, car rental will be allowed if necessary to complete the mission required.

(6) Whenever work assignments require TDY aboard a Government ship, the Contractor will be reimbursed at the per diem identified in the JTR.

5252.237-9501 ADDITION OR SUBSTITUTION OF KEY PERSONNEL (SERVICES) (NAVAIR)(OCT 2005)

(a) A requirement of this contract is to maintain stability of personnel proposed in order to provide quality services. The contractor agrees to assign only those key personnel whose resumes were submitted and approved, and who are necessary to fulfill the requirements of the effort. The contractor agrees to assign to any effort requiring non-key personnel only personnel who meet or exceed the applicable labor category descriptions. No substitution or addition of personnel shall be made except in accordance with this clause.

(b) If personnel for whatever reason become unavailable for work under the contract for a continuous period exceeding thirty (30) working days, or are expected to devote substantially less effort to the work than indicated in the proposal, the contractor shall propose a substitution to such personnel, in accordance with paragraph (d) below.

(c) The contractor agrees that ["during the first 12 months of the contract"], no key personnel substitutions or additions will be made unless necessitated by compelling reasons including, but not limited to: an individual's illness, death, termination of employment, declining an offer of employment (for those individuals proposed as contingent hires), or family friendly leave. In such an event, the contractor must promptly provide the information required by paragraph (d) below to the Contracting Officer for approval prior to the substitution or addition of key personnel.

(d) All proposed substitutions shall be submitted, in writing, to the Contracting Officer at least fifteen (15) days (thirty (30) days if a security clearance must be obtained) prior to the proposed substitution. Each request shall provide a detailed explanation of the circumstances necessitating the proposed substitution, a complete resume for the proposed substitute, information regarding the full financial impact of the change, and any other information required by the Contracting Officer to approve or disapprove the proposed substitution. All proposed substitutes (no matter when they are proposed during the performance period) shall have qualifications that are equal to or higher than the qualifications of the person being replaced.

(e) In the event a requirement to increase the specified level of effort for a designated labor category, but not the overall level of effort of the contract occurs, the offeror shall submit to the Contracting Officer a written request for approval to add personnel to the designated labor category. The information required is the same as that required in paragraph (d) above. The additional personnel shall have qualifications greater than or equal to at least one (1) of the individuals proposed for the designated labor category.

(f) The Contracting Officer shall evaluate requests for substitution and addition of personnel and promptly notify the offeror, in writing, of whether the request is approved or disapproved.

(g) If the Contracting Officer determines that suitable and timely replacement of personnel who have been reassigned, terminated or have otherwise become unavailable to perform under the contract is not reasonably

forthcoming or that the resultant reduction of productive effort would impair the successful completion of the contract or the task order, the contract may be terminated by the Contracting Officer for default or for the convenience of the Government, as appropriate. Alternatively, at the Contracting Officer's discretion, if the Contracting Officer finds the contractor to be at fault for the condition, he may equitably adjust (downward) the contract price or fixed fee to compensate the Government for any delay, loss or damage as a result of the contractor's action.

(h) Noncompliance with the provisions of this clause will be considered a material breach of the terms and conditions of the contract for which the Government may seek any and all appropriate remedies including Termination for Default pursuant to FAR Clause 52.249-6, Alt IV, "Termination (Cost-Reimbursement)".

5252.243-9504 AUTHORIZED CHANGES ONLY BY THE CONTRACTING OFFICER (NAVAIR)(JAN 1992)

(a) Except as specified in paragraph (b) below, no order, statement, or conduct of Government personnel who visit the contractor's facilities or in any other manner communicates with contractor personnel during the performance of this contract shall constitute a change under the "Changes" clause of this contract.

(b) The contractor shall not comply with any order, direction or request of Government personnel unless it is issued in writing and signed by the Contracting Officer, or is pursuant to specific authority otherwise included as a part of this contract.

(c) The Contracting Officer is the only person authorized to approve changes in any of the requirements of this contract and notwithstanding provisions contained elsewhere in this contract, the said authority remains solely the Contracting Officer's. In the event the contractor effects any change at the direction of any person other than the Contracting Officer, the change will be considered to have been made without authority and no adjustment will be made in the contract price to cover any increase in charges incurred as a result thereof. The address and telephone number of the Contracting Officer is: **Thomas E. Stann; Naval Air Warfare Center Aircraft Division, 21983 Bundy Rd BLDG 441 Patuxent River, MD, 20670; 301-757-0031; thomas.stann@navy.mil**.

5152.225-5908 GOVERNMENT FURNISHED CONTRACTOR SUPPORT (JUN 2015)

The following is a summary of the type of support the Government will provide the contractor. Services will be provided to contractors at the same level as they are provided to military and DoD civilian personnel. In the event of any discrepancy between this summary and the description of services in the Statement of Work, this clause will take precedence. These services are only provided at the following locations: *TBD[Contracting officer must enter the names of the operating locations of the contractor that the requiring activity has properly coordinated with the respective Forward Operating Base (FOB) Mayor(s)].* When contractor employees are in transit all checked blocks are considered authorized. **NOTE: The services marked in this special clause must be consistent with information marked on the approved GFLSV form.**

SECTION I CONTRACT CLAUSES

Note: In addition to the following, the provisions and clauses in Section I of the basic contract apply to this task order, unless otherwise specified herein.

The following clause is incorporated by reference with the same force and effect as if it were in full text:

52.222-41 Service Contract Act of 1965 (NOV 2007)

52.217-9 Option to Extend the Term of the Contract (MAR 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within 14 days; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days [*60 days unless a different number of days is inserted*] before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 60 (months) (years).

52.222-42 Statement of Equivalent Rates for Federal Hires (May 1989)

In compliance with the Service Contract Act of 1965, as amended, and the regulations of the Secretary of Labor (29 CFR Part 4), this clause identifies the classes of service employees expected to be employed under the contract and states the wages and fringe benefits payable to each if they were employed by the contracting agency subject to the provisions of [5 U.S.C. 5341](#) or [5332](#).

*This Statement is for Information Only:
It is not a Wage Determination*

252.227-7025 LIMITATIONS ON THE USE OR DISCLOSURE OF GOVERNMENT FURNISHED INFORMATION MARKED WITH RESTRICTIVE LEGENDS (JUN 1995)

(a)(1) For contracts requiring the delivery of technical data, the terms "limited rights" and "Government purpose rights" are defined in the Rights in Technical Data--Noncommercial Items clause of this contract.

(2) For contracts that do not require the delivery of technical data, the terms "government purpose rights" and "restricted rights" are defined in the Rights in Noncommercial Computer Software and Noncommercial Computer Software Documentation clause of this contract.

(3) For Small Business Innovative Research program contracts, the terms "limited rights" and "restricted rights" are defined in the Rights in Noncommercial Technical Data and Computer Software--Small Business Innovative Research (SBIR) Program clause of this contract.

(b) Technical data or computer software provided to the Contractor as Government furnished information (GFI) under this contract may be subject to restrictions on use, modification, reproduction, release, performance, display, or further disclosure.

(1) GFI marked with limited or restricted rights legends. The Contractor shall use, modify, reproduce, perform, or display technical data received from the Government with limited rights legends or computer software received with restricted rights legends only in the performance of this contract. The Contractor shall not, without the express written permission of the party whose name appears in the legend, release or disclose such data or software to any person.

(2) GFI marked with government purpose rights legends. The Contractor shall use technical data or computer software received from the Government with government purpose rights legends for government purposes only. The Contractor shall not, without the express written permission of the party whose name appears in the restrictive legend, use, modify, reproduce, release, perform, or display such data or software for any commercial purpose or disclose such data or software to a person other than its subcontractors, suppliers, or prospective subcontractors or suppliers, who require the data or software to submit offers for, or perform, contracts under this contract. Prior to disclosing the data or software, the Contractor shall require the persons to whom disclosure will be made to complete and sign the non-disclosure agreement at [227.7103-7](#) of the Defense Federal Acquisition Regulation Supplement (DFARS).

(3) GFI marked with specially negotiated license rights legends. The Contractor shall use, modify, reproduce, release, perform, or display technical data or computer software received from the Government with specially negotiated license legends only as permitted in the license. Such data or software may not be released or disclosed to other persons unless permitted by the license and, prior to release or disclosure, the intended recipient has completed the non-disclosure agreement at DFARS [227.7103-7](#). The Contractor shall modify paragraph (1)(c) of the non-disclosure agreement to reflect the recipient's obligations regarding use, modification, reproduction, release, performance, display, and disclosure of the data or software.

(c) *Indemnification and creation of third party beneficiary rights.* The Contractor agrees—

(1) To indemnify and hold harmless the Government, its agents, and employees from every claim or liability, including attorneys fees, court costs, and expenses, arising out of, or in any way related to, the misuse or unauthorized modification, reproduction, release, performance, display, or disclosure of technical data or computer
