

TECHNOLOGY

Driven Solutions

ManTech IDIQ, GWAC and GSA Schedule Contracts

ManTech International Corporation is one of the leading providers of advanced technology services to the United States government. Today, we are a public company that provides the innovation, adaptability, and critical thinking our government needs for success in defense, intelligence, law enforcement, science, administration, and other fields—throughout the nation and in many countries around the world.

We have developed and refined our capabilities in anticipation of the rapid evolution of technology in our modern society, and we offer a broad range of discrete and integrated solutions. Our experience in the demanding field of national security has instilled in us a dedication to ethics and an unwavering commitment to quality, which we apply equally to all of our work with government and industry. Our solutions include:

- C4ISR Lifecycle
- Cybersecurity
- Global Logistics
- Intelligence/Counterintelligence
- Information Technology
- Systems Engineering
- Test & Evaluation
- Mission Assurance
- Environmental, Range & Sustainability
- Health IT

In order to provide these services to our customers, ManTech pursues prime positions on many of the important contract vehicles used throughout the government today. We support more than 60 different government agencies under 1,000 active contract vehicles including a wide range of Indefinite Delivery, Indefinite Quantity (IDIQ) contracts.

As the prime contractor on such a broad range of contract vehicles, we make it easy for our customers to obtain high-quality solutions and services quickly and efficiently. Our teams are comprised of small and large business industry leaders that provide a diverse set of services and capabilities. Small business teammates from various socioeconomic categories are selected to round out our service offerings and provide skills and expertise that support the most challenging government agency missions.

Use of a ManTech prime contract vehicle provides customers with access to a broad mix of niche solutions and emerging technologies. ManTech and our teammates are experts in theater, demonstrating time and time again our mission focus. We have the experience, leadership, proactive approach, innovation, and commitment necessary to ensure success.
