

ManTech IDIQ, GWAC and GSA Schedule Contracts

ManTech International Corporation is one of the leading providers of advanced technology services to the United States government. Today, we are a public company that provides the innovation, adaptability, and critical thinking our government needs for success in defense, intelligence, law enforcement, science, and administration — within emerging technologies throughout the nation and in many countries around the world.

We have developed and refined our capabilities in anticipation of the rapid evolution of technology in our modern society, and we offer a broad range of discrete and integrated solutions. Our experience in the demanding field of national security has instilled in us a dedication to ethics and an unwavering commitment to quality, which we apply equally to all of our work with government and industry. Our solutions include:

- C5ISR
- Cybersecurity
- Global Logistics
- Intelligence/Counterintelligence
- Information Technology Modernization
- Systems Engineering
- Test & Evaluation
- Mission Assurance
- Environmental, Range & Sustainability
- Health IT
- Artificial Intelligence
- Agile DevSecOps
- SETA Planning and Policy
- Global Supply Chain
- Space
- Enterprise IT
- Data Collection
- Management Consulting
- Security and Mission Operations
- Training

To provide these services to our customers, ManTech pursues prime positions on many of the important contract vehicles used throughout the government today. We support more than 60 different government agencies under 1,000 active task orders, including a wide range of Indefinite Delivery, Indefinite Quantity (IDIQ) contracts.

As the prime contractor on such a broad range of contract vehicles, we make it easy for our customers to obtain high-quality solutions and services quickly and efficiently. Our team is comprised of the best business industry leaders that provide a set of services and capabilities. Teammates from various socioeconomic categories are selected to round out our services and provide skills and expertise that support the most challenging government agency missions. ManTech provides customers with access to a broad mix of solutions and emerging technologies Use of a ManTech prime contract vehicle, deliver mission focus. We have the experience, leadership, proactive approach, innovation, and commitment necessary to ensure success.
