# ManTech Delivers Best in Class Services on Alliant 2

## Alliant 2 GWAC

Alliant 2 is a Government-wide Acquisition Contract (GWAC). GWACs are multi-agency, IT-focused indefinite delivery/indefinite quantity (IDIQ) contract vehicles that offer procurement flexibility and efficiency. Alliant 2 is the follow on to the very successful Alliant contract with total estimated sales of $46B to 75 agencies:

- Use by all federal agencies aka **Anything IT, Anywhere**
- IT solutions to include integral and necessary ancillary support and necessary products to achieve complex total IT solution
- Flexible task order teaming and subcontracting
- 10-year period of performance (PoP) through June 30, 2028. Awards can be made up to June 30, 2028, with PoP to continue 5 years from that date
- Allows for emerging technologies to be performed
- Low contract access fee with a cap on high dollar orders
- Pre-competed, easy-to-use with streamlined ordering procedures based on FAR 16.505
- Task orders valued at less than $10 million cannot be are limited for protested except on the grounds of that the order increases the for scope, period, or maximum value
- Agencies receive credit towards socioeconomic goals with a strong Small Business Goals Plan
- Warranted contracting officer can run their own procurement after taking a free short Delegation of Procurement Authority (DPA) for free via webinar

- Scope aligned with Federal Enterprise Architecture Framework (FEAF) and Department of Defense Information Enterprise Architecture (DOD IEA)
- Includes standard IT service labor categories, but nonstandard IT service LCATs and ancillary service labor categories are permissible at OCO discretion.

## Best in Class

*"ManTech and GSA have a decade-long partnership leveraging IT solutions across a diverse government customer base. We look forward to continuing that relationship under the Alliant 2 contract, and I pledge all ManTech's enterprise-wide resources to its success and in meeting GSA's objective to make Alliant 2 the 'flagship' contract-of-choice for future IT services delivery."*

**Matt Tait**
*President and CEO, ManTech International Corporation*

OMB named Alliant 2 GWAC a Best-in-Class for Information Technology Solutions:

- Allows acquisition experts to take advantage of pre-vetted, government-wide contract solutions
- Supports a government-wide migration to solutions that are mature, and market proven
- Assists in the optimization of spend, within the government-wide category management framework
- Increases the transactional data available for agency level and government-wide analysis of buying behavior
