**SALT at our Kaka'ako 680 Ala Moana Blvd, Suite 103/104
Honolulu, Hawai'i 96813**

Kūmaumau is MANTECH's newest Center for Innovation and Partnership that supports the Indo-Pacific region.

Opened in the heart of downtown Honolulu, it is located in SALT at our Kaka'ako. Like the origins of Kaka'ako, the center is designed to be a gathering spot for government leaders, the local community, university and high school students, non-profits and industry partners. The center consists of hot desking, a large collaboration space (CR #104), and a private conference room (CR #106), both with video teleconference capabilities.
